UPDATES FOR 2020-2021

## Who We Are

The Division of Student Affairs strives to create a statewide culture that promotes educational opportunities for all citizens, regardless of age or income.

The division coordinates several statewide college access and success programs, in addition to the federally funded West Virginia GEAR UP initiative, a program that helps students in ten West Virginia counties prepare to succeed in training and education beyond high school, and College for West Virginia (CFWV).

The Division of Student Affairs supports the work of student affairs offices on campuses of West Virginia's public two- and four-year colleges and universities through professional development and training opportunities, grant funding and collaboration on statewide initiatives.
