# College-Going Rate

Among Recent West Virginia Public High School Graduates

The college-going rate is now derived from the P-20 data system. Therefore values may differ slightly from those provided in previous editions of the fall enrollment reports.

# Certificate and Degree-Seeking Student Persistence and Completion

Academic/Technical Programs

Short-Term Training Programs

For Students Enrolled at a West Virginia Public Institution in the Fall Semester

The table below shows the percentage of certificate and degree-seeking students enrolled in the fall semester who returned to any West Virginia public two- or four-year institution the following fall (including students who enrolled in short-term training programs), those who graduated and did not return, and those for whom no subsequent enrollment or graduation record was found. Students who graduated and returned the following fall are included in the “Returned Following Fall” category. Dual Enrollment high school students are excluded. Graduation data reflect only students completing certificates or undergraduate degrees.
