1	I'm trying to get more information on the Keith Scholars Hall Painting, and Dawson Hall. Do you have and plans or specs for those jobs? Or any other information on them, thank you.	Below is the link to the procurement documents. Please let me know what questions you have after reviewing. There are 2 different postings for paint jobs. 2	Is there a cost estimate, budget or ballpark figure for the project listed? Is there an actual start date for the project?	No budget listed or defined for this project. RFB-WVSU23004 Dawson Hall - please reference section 1.3 under the Purpose and Scope section of the solicitation. May 17, 2023 – Jun 1, 2023
3	I received some information on 2 projects you have coming up. I would like to take a look at the projects and ask a few questions if you have some time soon	Due to the nature of how we bid out jobs, I can only accept questions through email during the blackout period. The question period ended 5/7/23.  During the bidding process all questions are typed up and posted on the bid site so every contractor receives the same information.
4	I wanted to see if we could bid these jobs. They just came up on construction connect and don't have any drawings or info. Are these jobs that have drawings or do I need to come take a look? 5	Is there any chance of this bid date getting pushed back?	Due to the time between students leaving campus and summer camps starting we cannot push this timeframe.

6 I see they have a month to do the work. Is that accurate?	See Scope section of RFP section 1.3 for exact dates.
