

DIVISION OF STUDENT AFFAIRS

UPDATES FOR 2021-2022

Who We Are

The Division of Student Affairs coordinates several statewide college access and success programs, in addition to the federally funded West Virginia GEAR UP initiative, a program that helps students in eleven West Virginia counties prepare for success in training and education beyond high school, College for West Virginia (CFWV) and two Upward Bound Math and Science grants.

The Division of Student Affairs supports the work of student affairs offices of West Virginia's public two- and four-year colleges and universities through professional development and training opportunities, grant funding and collaboration on statewide initiatives.
