CONCORD UNIVERSITY
RFB#CU2405 Wilson Roof Replacement**

ADDENDUM #1

1. **Question:** Does the above project currently have an estimated value, mobilization date, and completion date? Also, does there happen to be any union or labor requirements?

Answer: Concord University submitted a Deferred Maintenance request to the State with an estimated value of \$255,000. There are no union or labor requirements. The start date is contingent upon when funding is received. Hopefully funding will be received in the next couple of weeks. Concord University would like to have this completed before Fall Semester 2024 starts, so before August 2024.

2. **Question:** Who/How do we get an appointment to do a site visit to get accurate measurements for tapered design?

Answer: Steve Miller (304) 887-6426 or Andrea Webb (304) 952-5290
Please reach out to Steve first.
