<b>XXI. Adjournment</b>	

## 2026 MEETING SCHEDULE

Meeting Date	Meeting Location
February 27, 2026	To Be Determined
June 12, 2026	To Be Determined
October 2, 2026	To Be Determined
December 4, 2026	To Be Determined

Institutional items must be received by Commission staff at least four weeks before the meeting date to allow sufficient time for staff review and preparation for publication of agenda materials. Agendas are posted on the Commission website one week prior to the meeting.

## **DRAFT MINUTES**

### **WEST VIRGINIA HIGHER EDUCATION POLICY COMMISSION**

**February 14, 2025**

#### **I. Call to Order**

Chairman Andrew A. Payne convened a meeting of the West Virginia Higher Education Policy Commission on February 14, 2025, at 9:00 a.m., by Zoom video and teleconference. The following Commission members participated: Michele Blatt, Ex-Officio; James W. Dailey; James Denova; Michael J. Farrell; Diane Lewis Jackson; Andrew A. Payne, and E. Gail Pitchford. Absent was Christina Cameron, Ex-Officio. Other participants included university representatives, Chancellor Sarah Armstrong Tucker, Higher Education Policy Commission staff, and others.

Chairman Payne secured a quorum.

#### **II. Chairman's Report**

Chairman Payne welcomed all participants to the meeting. He introduced and welcomed new Commission employees Chris Rasmussen, Vice Chancellor for Academic Affairs, and Joe Jenkins, General Counsel.

#### **III. Chancellor's Report**

Chancellor Tucker shared that the Interagency College-Going Rate Workgroup and subcommittees have continued to meet and are working on recommendations. She expects that through their work, the next Legislative Session will be busy and productive.

#### **IV. Update from Advisory Council of Classified Employees**

Jenna Derrico, an employee at West Virginia Northern Community College, provided a report on behalf of classified employees.

#### **V. Approval of Minutes**

Commissioner Jackson moved to approve the minutes of the December 13, 2024 Commission meeting. Commissioner Pitchford seconded the motion. Motion passed.

#### **VI. Update from the Division of Student Affairs**

Mr. Jason Luyster, Senior Director of Student Affairs, provided an update on GEAR UP events and other activities and initiatives.

**VII. Update on the West Virginia Nursing Workforce Expansion Grant Program**

Ms. Amanda McCarty, Senior Director of Health Sciences, presented the update.

**VIII. Update on Campus Mental Health Impact Grants**

Dr. Candace Layne, Behavioral Health Program Specialist, presented the update.

**IX. Approval of Eligibility Requirements, Annual Award Amount, and Summer Awards for the Promise Scholarship Program**

Mr. Brian Weingart, Senior Director of Financial Aid, presented the agenda item.

Commissioner Farrell moved approval of the following resolution:

*Resolved*, That the West Virginia Higher Education Policy Commission approves proposed eligibility requirements, the annual award amount, and summer awards for the Promise Scholarship Program.

Commissioner Dailey seconded the motion. Motion passed.

**X. Approval of Fiscal Year 2026 Distribution Plan for the West Virginia Higher Education Grant Program**

Mr. Weingart presented the agenda item.

Commissioner Farrell moved approval of the following resolution:

*Resolved*, That the West Virginia Higher Education Policy Commission approves the proposed Fiscal Year 2026 Distribution Plan for the West Virginia Higher Education Grant Program.

Commissioner Pitchford seconded the motion. Motion passed.

**XI. Approval of Bachelor of Science in Cybersecurity**

Dr. Corley Dennison of the Division of Academic Affairs presented the agenda item.

Commissioner Farrell moved approval of the following resolution:

*Resolved*, That the West Virginia Higher Education Policy Commission approves the Bachelor of Science in Cybersecurity program at West Virginia State University for implementation in fall 2025.

Commissioner Dailey seconded the motion. Motion passed.

## **XII. Approval of Annual Reauthorization of Four-Year Degree-Granting Private Institutions**

Dr. Beez Schell, Academic Officer, presented the agenda item.

Commissioner Jackson moved approval of the following resolution:

*Resolved*, That the West Virginia Higher Education Policy Commission approves annual reauthorization for Appalachian Bible College, Bethany College, Catholic International University, Davis and Elkins College, Future Generations University, University of Charleston, Valley College, West Virginia Wesleyan College, Wheeling University, American Public University, Salem University, and Strayer University.

Commissioner Pitchford seconded the motion. Motion passed.

## **XIII. Additional Board Action and Comment**

Commissioner Denova inquired about the impact of federal funding freezes on state institutions.

## **XIV. Adjournment**

There being no further business, Commissioner Jackson moved to adjourn the meeting. Commissioner Farrell seconded the motion. Motion passed.

---

Andrew A. Payne, Chairman

---

Diana Lewis Jackson, Secretary

**West Virginia Higher Education Policy Commission  
Meeting of June 27, 2025**

**ITEM:** Approval of Appointments to the West Virginia Regional Technology Park Board of Directors

**INSTITUTION:** West Virginia Regional Technology Park

**RECOMMENDED RESOLUTION:** *Resolved*, That the West Virginia Higher Education Policy Commission approves the appointments to the West Virginia Regional Technology Park Board of Directors.

**STAFF MEMBER:** Sarah Armstrong Tucker

**BACKGROUND:**

Appointments to the West Virginia Regional Technology Park Board of Directors are to be made by the Commission when terms have expired or vacancies exist on the Board.

It is recommended that the following individuals be reappointed to fulfill the terms of membership beginning July 1, 2025 and ending June 30, 2028:

- **Tim O'Neal**
- **Jack Rossi**

**West Virginia Higher Education Policy Commission  
Meeting of June 27, 2025**

**ITEM:** Approval to Offer Bachelor's Degree Programs

**INSTITUTION:** Laurel College of Technology

**RECOMMENDED RESOLUTION:** *Resolved*, That the West Virginia Higher Education Policy Commission approves Laurel College of Technology to begin offering bachelor's degree programs with the implementation of the Bachelor of Science in Nursing beginning Spring 2026. This approval expires two years from the date of Commission approval if the program is not fully implemented at that time.

**STAFF MEMBER:** Chris Rasmussen

**BACKGROUND:**

Commission Series 20, Legislative Rule, Initial Authorization of Degree-Granting Institutions, states:

Institutions wishing to exceed or change their approved programmatic mission must receive approval from the Commission to offer each program that exceeds the level of academic degrees that the institution is authorized to grant. Documentation must be submitted that specifies the scope of the proposed change, including long-range plans for new degree programs and programs that exceed the level of academic degrees currently authorized for the institution. Requests to exceed an institution's programmatic mission shall be evaluated based on the following criteria: objectives of proposed program; relationship of program to statewide mission and plan; demonstration of need; effect of new program on existing programs at other institutions; resource availability; qualified faculty and administrators; library holdings and support; facilities and equipment; and, evidence of strength to offer the proposed program.

Laurel College of Technology ("Laurel"), currently approved by the West Virginia Council for Community and Technical College Education to offer associate degrees, requests authorization to offer its first baccalaureate program: a Bachelor of Science in Nursing (BSN). Laurel Business Institute, doing business as Laurel Technical Institute and serving as the governing body for Laurel College of Technology, supports this expansion and affirms its financial commitment to both the launch and the long-term sustainability of the proposed BSN program.

The program will serve as a bachelor's degree completion pathway, building upon

Laurel's existing associate degree in nursing (ADN), which is approved by the West Virginia State Board of Nursing and accredited by the Accrediting Commission for Education in Nursing (ACEN). The ADN program has been in operation since March 2021. The final three semesters of the BSN will be delivered online. The BSN degree can assist nurses in professional advancement and is increasingly sought by hospitals as a qualification for leadership and management roles.

There is typically minimal clinical instruction in BSN completion programs as most clinicals are completed in preparation for the associate degree in nursing. Laurel representatives have indicated they do not anticipate the need for additional clinical sites or additional clinical requirements in the hospital settings they currently utilize.

#### **RECOMMENDATION FOR APPROVAL:**

Laurel's institutional accreditor, the Accrediting Commission of Career Schools and Colleges (ACCSC), requires state agency approval prior to granting approval for the degree. Therefore, it is recommended that the Commission approve Laurel to offer the Bachelor of Science in Nursing with the following stipulations:

- Approval will be withdrawn if ACCSC does not grant approval of the program.
- Approval will be withdrawn if the program is not fully implemented two years from the date of Commission approval.
- The program must remain in good standing with the West Virginia State Board of Nursing, ACCSC, ACEN, and U.S. Department of Education

With approval of this program, the Commission authorizes Laurel College of Technology to confer the bachelor's degree in West Virginia. The institution agrees to uphold high academic standards, including employing appropriately credentialed faculty, delivering rigorous and relevant curricula, ensuring quality student support, and implementing effective assessment practices. Commission staff will continue to monitor program progress through the annual institutional reauthorization process.

**West Virginia Higher Education Policy Commission  
Meeting of June 27, 2025**

**ITEM:** Approval of Institution Capital Assessments for Fiscal Year 2026

**INSTITUTIONS:** All

**RECOMMENDED RESOLUTION:** *Resolved*, That the West Virginia Higher Education Policy Commission approves the institution capital assessments for Fiscal Year 2026 as shown in Table 2.

**STAFF MEMBER:** Misty Price

**BACKGROUND:**

The Commission pays system-wide debt service payments on behalf of the four-year and two-year institutions to the trustees, the Municipal Bond Commission and The Bank of New York Mellon. Approval of the Fiscal Year (FY) 2026 allocations are requested.

Table 1 shows the total amount of debt service payments due in FY 2026. Of the \$33,071,706 required for this year, \$11,880,613 must be allocated to institutions and paid from student fees; \$19,852,808 will be paid from Lottery revenue appropriated to the Commission; and \$1,338,285 will be paid from the Federal Government as a subsidy from the 2010 Build America Bonds.

Staff also requests Commission approval to allocate the student fee portion of the FY 2026 debt service, \$11,880,613, and the facilities planning and administration assessment of \$479,369 as shown in Table 2 to the institutions. This assessment is allocated by the percentage of institutional square feet.

Staff will move the funds from the institutions' accounts on September 1 and March 1 to make the debt service payments to the trustees. Institutions are restricted from using their Education and General Capital Fees until adequate funds have been collected for debt service payments in any given fiscal year.

**West Virginia Higher Education Policy Commission  
Meeting of June 27, 2025**

**ITEM:** Review of Tuition and Fees

**INSTITUTIONS:** All

**RECOMMENDED RESOLUTION:** Information Item

**STAFF MEMBER:** Misty Price

**BACKGROUND:**

W. Va. Code requires the Commission to review and approve any resident undergraduate tuition and fee increase greater than 10 percent in any one year, or where the increase would be more than 7 percent per year, averaged over a rolling three-year period. This is calculated by averaging the proposed increase with the increase for the immediate two previous years. None of the institutions exceeded the threshold that requires Commission approval.

Institutions' base appropriations increased 0.9 percent on average over the Fiscal Year 2025 budget. The most recently published Higher Education Price Index inflation rate from 2024 was 3.4 percent.

Tuition and fee data are provided in the following tables.

**West Virginia Higher Education Policy Commission**  
**Summary of Regular Tuition and Fees - 2025-26 Academic Year**  
**Resident Undergraduate Students**

Institution	Tuition and Fees 2024-25	Tuition and Fees 2025-26	Increase Over 2024-25	Percentage of Increase

**West Virginia Higher Education Policy Commission  
Meeting of June 27, 2025**

**ITEM:** Review of Fiscal Year 2026 Institutional Operating and Capital Budgets and Approval of Institutional Capital Budgets

**INSTITUTIONS:** All

**RECOMMENDED RESOLUTION:** *Resolved*, That the West Virginia Higher Education Policy Commission approves the Fiscal Year 2026 institutional capital budgets.

**STAFF MEMBER:** Misty Price

**BACKGROUND:**

W. Va. Code §18B-1B-4 requires the Commission to review institutional operating budgets and review and approve capital budgets for all governing boards under its jurisdiction, except the governing boards of statutorily and administratively exempt institutions. For the governing boards of exempt institutions, the Commission may review and comment upon the institutional operating budgets and capital budgets. The Commission's comments, if any, must be made part of the governing board's minute record.

Budgets for Fiscal Year (FY) 2026 were prepared using a form provided by the Commission to make comparison across the system consistent. The budgets include operating and nonoperating budgets, as well as a budget for capital projects.

A cash balance analysis is also included for the current year to provide an analysis of the institutions' cash reserves. Cash balances as of March 31 of the previous and current year as well as the year end cash balances for both years are provided.

Based upon the review by Commission staff, approval of these budgets is recommended.

**Meeting of June 27, 2025**

**ITEM:** Approval of Fiscal Year 2026 Higher Education Policy Commission Division Operating Budgets and Higher Education System Initiatives

**INSTITUTION:** West Virginia Higher Education Policy Commission

**RECOMMENDED RESOLUTION:** *Resolved*, that the West Virginia Higher Education Policy Commission approves the Fiscal Year 2026 division operating budgets and Higher Education System Initiatives.

**STAFF MEMBER:** Misty Price

**BACKGROUND:**

The Commission's budget is funded from State appropriations, grants and contracts, student fees, and investment income.

From the \$300 million budget, about \$13.4 million is allotted for Commission operating expenses; \$14.3 million is designated for debt interest payments; \$1.8 million is provided to support the operations of the West Virginia Regional Technology Park; \$148.1 million is for deferred maintenance and the balance is to be expended for financial aid and institutional support activities.

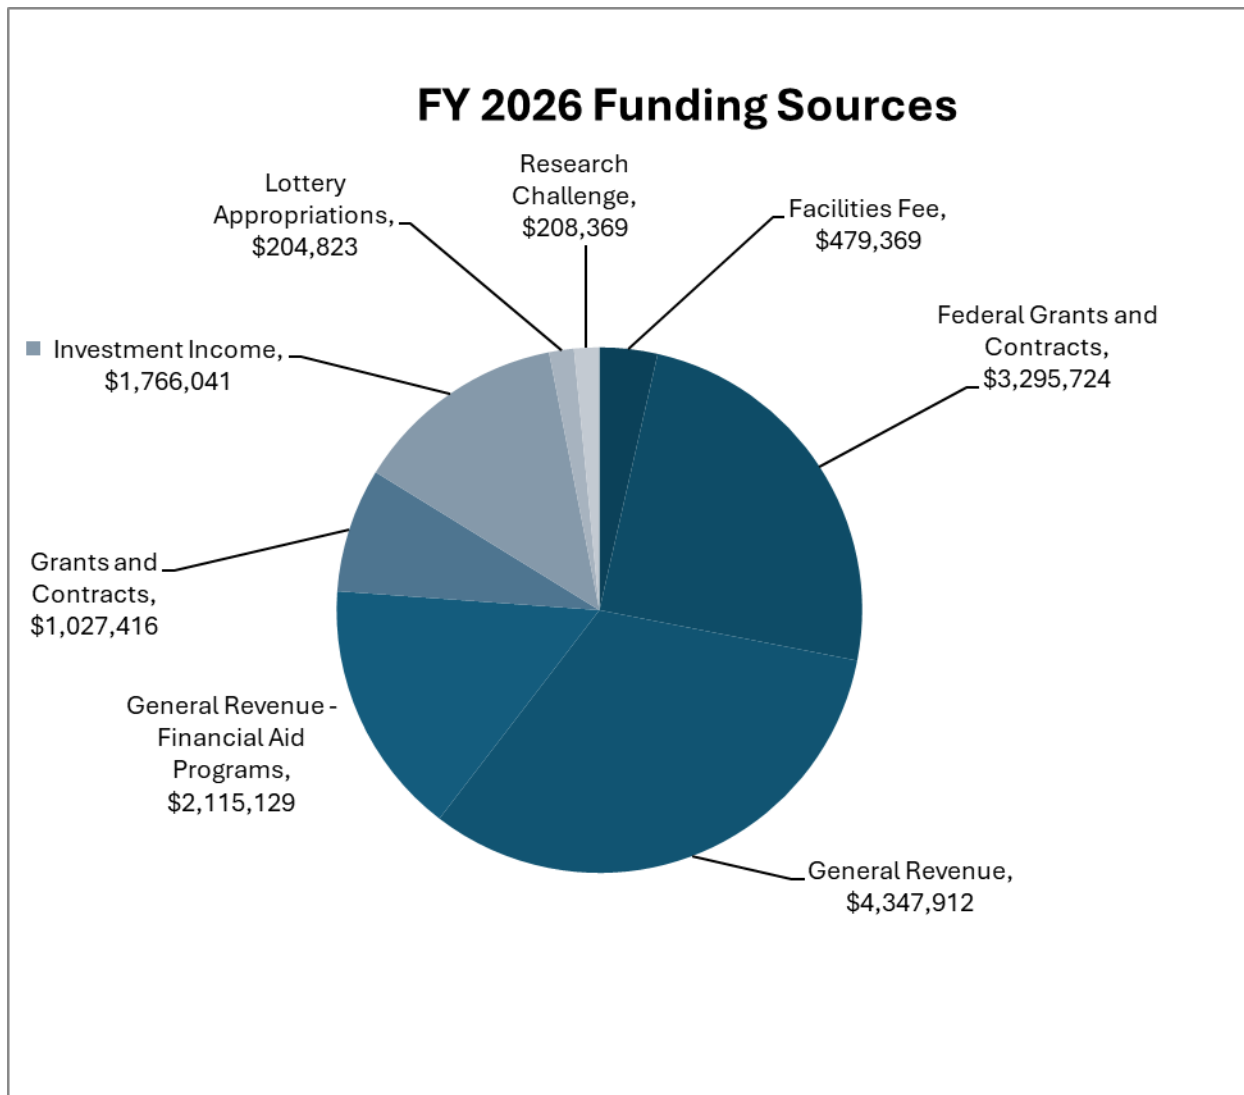

The following charts and tables summarize the budgets and sources of revenue:

- Table 1 provides the Commission's total budget;
- Chart 1 details the various funding sources that contribute to the total Commission Office operating budget; and
- Chart 2 provides the distribution of operating expenses for FY 2026.

**Table 1**

**West Virginia Higher Education Policy Commission  
Meeting of June 27, 2025**

**ITEM:** WVNET Service and Support Overview

**INSTITUTION:** West Virginia Network for Educational Telecomputing

**RECOMMENDED RESOLUTION:** Information Item Only

**STAFF MEMBER:** Steven White

**BACKGROUND:**

WVNET was established in 1975 by the West Virginia Board of Regents to provide access to mainframe computing and internet access to state institutions at a reduced cost. WVNET is also designated as the Research and Education Network (REN) for the state of West Virginia. A REN supports the needs of the research and education community. WVNET is one of the oldest RENs, celebrating its 50<sup>th</sup> anniversary this year.

WVNET is an individual agency that reports directly to the Commission as designated in W. Va. Code §18B-4-2. As mandated in W. Va. Code, the Computer Advisory Board is an advisory group that provides guidance for the services, pricing and policies of WVNET. The Computer Advisory Board includes representatives from K-12 and higher education, including both two-year and four-year institutions.

WVNET's primary support services include:

- Operating a statewide network for K-12, higher education and state agencies with a dedicated internet address space. This includes a data center in Morgantown and a presence at the State Capitol data center in Charleston from which customers are connected to the internet and Internet2, the exclusive high-speed research network.
- WVNET provides internet access for all public K-12 schools and the State Capitol Complex.
- Hosting Ellucian software (Banner, DegreeWorks) for multiple community and technical colleges, as well as supplemental software (Argos and Apex).
- Reduced-cost, consortium software purchasing, management and support for online classes (D2L Brightspace) and supporting software. WVNET supports special education pricing contracts with Microsoft, Ellucian, Evisions, Oracle and many other software vendors used by our colleges and universities.
- Virtual machine hosting in Charleston and Morgantown and computer server co-location services in the Morgantown data center for customers who need a secure and environmentally managed location for their equipment. The Morgantown facility also offers high-speed connections to multiple vendors and

network carriers that have equipment in this location.

- Web hosting and website development for public institutions and schools through experienced staff with extensive knowledge in the WordPress platform.
- Live, accessible, in-state technical support through expert staff. WVNET employees are experts in their field, who provide specialized technical support for information technology staff at institutions. WVNET staff offer remote and on-site guidance for a variety of network and software issues or configurations.
- Operation of a 24/7/365 helpdesk that always provides customers with a live contact for immediate support or can escalate for more-advanced support. The West Virginia Office of Technology uses this service for after-hours support for all state agency employees.

Operating a modern, robust and reliable network remains at the core of WVNET's mission. WVNET has upgraded from older technologies to the latest fiber and multiple-gigabyte connections. This year, WVNET is undergoing a major network upgrade that includes replacement of networking equipment from multiple 10GB connections to 100GB. This significantly increases bandwidth capacity and improves reliability, while reducing costs. These upgrades are made possible through a Congressionally Directed Spending (CDS) grant awarded to WVNET in 2023.

The federal grant was supported by Senator Capito and Senator Manchin and has allowed upgrades to equipment in the Morgantown data center, including a new emergency generator, a new battery backup system (UPS) and replacement of computer room air conditioners that maintain optimal operating temperatures for the servers and equipment in the data center.

Institutions using WVNET hosting services include the community colleges, as well as Glenville State University, Shepherd University, West Liberty University and West Virginia State University.

In addition to its core services, WVNET offers custom solutions for state institutions, such as integrating Banner with the state finance system and LMS platforms.

Additionally, cybersecurity remains a persistent challenge for West Virginia's community and technical colleges. Several institutions have experienced system breaches, requiring extensive support from WVNET and other external agencies to secure their systems and restore data. Recognizing the ongoing nature of this issue, WVNET is working to establish a shared Chief Information Security Officer role. This initiative aims to provide essential resources to schools that might otherwise struggle due to budget constraints.

**West Virginia Higher Education Policy Commission  
Meeting of June 27, 2025**

**ITEM:** Approval of Fiscal Year 2026 WVNET Budget

**INSTITUTION:** West Virginia Network for Educational  
Telecomputing

**RECOMMENDED RESOLUTION:** *Resolved*, That the West Virginia Higher Education Policy Commission approves the Fiscal Year 2026 West Virginia Network for Educational Telecomputing budget.

**STAFF MEMBER:** Steven White

**BACKGROUND:**

The West Virginia Network for Educational Telecomputing (WVNET) delivers comprehensive networking and computing services to public institutions across the state, including West Virginia's colleges and universities, K–12 schools, libraries, county courthouses, the Commission, and the West Virginia Community and Technical College System. Established in 1975, WVNET is among the oldest Research and Education Networks (RENs) in the United States and proudly marks its 50th year of continuous operation in 2025.

WVNET offers cloud-based data storage and computing solutions, high-speed Internet connectivity, consortium pricing and software license discounts, and access to Internet2 for educational institutions. In addition, WVNET services more than 100 state agencies and nonprofit organizations.

**State Appropriations**

WVNET received a Fiscal Year (FY) 2026 general revenue appropriation of \$1,977,941. This is an increase of \$31,426 (1.61%) from FY 2025, due to increased PEIA costs. The state appropriation is used to support approximately one-half of WVNET's personnel budget.

The remainder of WVNET's budget comprises fee-based services to colleges and universities, schools, libraries, municipalities and state agencies.

**Combined Budget**

The WVNET budget consists of two main categories of revenues and expenditures: (1) an operating budget (including personnel costs), and (2) a pass-through budget, providing a discounted software purchasing service for West Virginia's public colleges and universities.

The FY 2026 proposed combined budget for these two categories is \$13,622,683. This is a decrease of \$806,291 (-5.59%) from the FY 2025 budget proposal. The FY 2026 budget also incorporates PEIA employer premium increases.

## **Operating Budget**

WVNET operating revenues are derived from the state appropriation, contracts, services, reserve and interest income. WVNET's projected FY 2026 revenues are \$9,184,587. This is a decrease of \$1,343,000 (-12.76%) from the FY 2025 budget proposal.

WVNET generates operating revenue through a chargeback model for the centralized hosting of higher education software such as the Banner student information system, Degree Works academic progress, and Argos reporting. Other services provided include high-speed Internet access, connectivity to Internet2, email anti-virus and spam filtering, web design and hosting, Oz problem management software, help desk and technical support, and virtual machines and co-location services. In order to absorb PEIA employer cost increases for FY 2026 as well as offset general software costs, WVNET has increased client costs for Argos Hosting (4%), Apex Hosting (3%), Banner Hosting (2%), DegreeWorks (2%), and Support Services (1%).

FY 2026 is the final year of the five-year agreement with the West Virginia Department of Education for high-speed Internet and web hosting for all K-12 schools. WVNET will submit a proposal to continue to provide this service once an appropriate bid has been posted. Additional support contracts for supplementary services provided were renewed by the Department of Education.

## **Congressionally Directed Community Project Funds (CDCPF) Budget**

As part of the Omnibus Appropriations Act of 2023, WVNET secured \$1.5 million in funding to enhance its networking infrastructure, support data center maintenance, and replenish critical hardware. In FY 2025, these funds were utilized to install a new 500 kW diesel generator, significantly improving power reliability. Additionally, two 22-ton Computer Room Air Conditioning (CRAC) units were added to help regulate internal data center temperatures. WVNET invested in Cisco 9600 series equipment to replace aging core network components. These strategic upgrades fully utilized the awarded grant.

## **Pass-Through Budget**

The pass-through budget enables the consortium of institutions to obtain lower overall costs on technology purchases. This budget depends largely on purchases made by institutions from WVNET contracts with our key software vendors (such as Ellucian, Microsoft, and Educause). WVNET is the central billing site for vendors and manages allocations and chargebacks to the appropriate institutions.

For FY 2026, WVNET's projected pass-through budget is \$4,438,096. This is an increase of \$536,709 (13.76%) from the FY 2025 budget proposal.

**West Virginia Higher Education Policy Commission  
Meeting of June 27, 2025**

**ITEM:** Approval of Revisions to Series 40, Procedural Rule, Equal Opportunity and Affirmative Action

**INSTITUTIONS:** All

**RECOMMENDED RESOLUTION:** *Resolved*, That the West Virginia Higher Education Policy Commission approves revisions to Series 40, *Equal Opportunity and Affirmative Action*, to be filed with the Secretary of State for the 30-day public comment period and if no substantive comments are received, that the Commission extends its final approval.

**STAFF MEMBER:** Joseph Jenkins

**BACKGROUND:**

Revisions to Series 40, *Equal Opportunity and Affirmative Action* are necessary to address recent changes in W. Va. Code by Senate Bill 474, which ends diversity, equity, and inclusion policies in higher education. The revisions remove references to:

- Affirmative action;
- Protected classes beyond the nine statutorily protected classes: race, color, religion, sex, national origin, age, disability, genetic information, and veteran or military status.

**TITLE 133  
PROCEDURAL RULE  
WEST VIRGINIA HIGHER EDUCATION POLICY COMMISSION**

**SERIES 40  
EQUAL OPPORTUNITY ~~and AFFIRMATIVE ACTION~~**

**§133-40-1. General.**

- 1.1. Scope. -- This rule establishes equal opportunity ~~and affirmative action~~ policy.
- 1.2. Authority. -- West Virginia Code §18B-1-6 and §18B-1B-5.
- 1.3. Filing Date. —~~October 31, 2019.~~
- 1.4. Effective Date. —~~December 1, 2019.~~
- 1.5. Repeal of Former Rule. -- Repeals and replaces Title 133, Series 40 which had an effective date of ~~November 7, 2013~~ December 1, 2019.

**§133-40-2. General Policy.**

2.1. It shall be the policy of the West Virginia Higher Education Policy Commission (Commission) to provide equal employment opportunities to all qualified employees and applicants and to prohibit discrimination or harassment against any such individuals on the basis of protected characteristics. The Commission considers race, color, religion, ~~sex/gender~~, national origin, ~~ancestry~~, age, ~~blindness~~, disability, ~~pregnancy~~, genetic information, ~~sexual orientation, gender identity~~, veteran or military status or other category that is protected under federal, State, or local anti-discrimination laws as protected characteristics and will not permit discrimination or harassment against any employee or applicant for employment on the basis of any such characteristic. The Commission will conform both to the letter and the spirit of the law and regulations with respect to prohibiting any such discrimination or harassment and will encourage and support ~~voluntary affirmative action where necessary~~ equal employment opportunity to ensure that institutions employ, advance in employment and treat all qualified persons without discrimination in any employment practices.

2.2. The scope of this policy prohibiting discrimination and harassment extends, but is not limited to, the following: recruitment, employment, promotion, transfer, training, working conditions, wage and salary administration, benefits, discipline, promotion, transfer, layoff, termination processes, and the application of all other employment-related policies. These principles of non-discrimination and anti-harassment also apply to the selection and treatment of independent contractors, personnel working on Commission premises, and any other persons or firms doing business with the Commission.

2.3. Under the Commission's additional authority to allocate specified functions and responsibilities among the institutions within the jurisdiction of the Commission, each institution shall accept primary and long-term responsibility for the development and implementation of equal employment opportunity ~~and where necessary, affirmative action~~ policies consistent with the Commission's guidance and all applicable laws and regulations.

2.4. Each institution and the Commission shall take the initiative in developing or modifying their own plans to achieve compliance with the equal employment opportunity ~~and affirmative action~~ policy of the Commission as well as those of the State and federal governments. The president of each institution

shall, through appropriate means, establish and maintain a positive program of equal employment opportunity ~~and affirmative action~~ within ~~her/his~~ their jurisdiction in accordance with all laws and regulations applicable to the institution. The equal employment opportunity ~~and affirmative action~~ goals of the institution must be integrated into and consistent with other performance goals of the institution. ~~The realistic goals and timetables of each institution shall be vigorously pursued to achieve a proportional representation of minorities and women in the workforce based on availability within the relevant workforce recruitment markets. The effective pursuit of affirmative action requires not only the adoption of an adequate plan, but also results-oriented procedures designed to ensure the involvement of managers at all levels of each institution.~~

**West Virginia Higher Education Policy Commission  
Meeting of June 27, 2025**

**ITEM:** Approval of Revisions to Series 41, Procedural Rule, Health Sciences Service Program

**INSTITUTIONS:** All

**RECOMMENDED RESOLUTION:** *Resolved*, That the West Virginia Higher Education Policy Commission approves revisions to Series 41, *Health Sciences Service Program*, to be filed with the Secretary of State for the 30-day public comment period and if no substantive comments are received, that the Commission extends its final approval.

**STAFF MEMBER:** Joseph Jenkins

**BACKGROUND:**

The proposed revisions to Series 41, *Health Sciences Service Program* address the following:

- Modify the program from payment up front with possible repayment if the service terms are not met to an award after the service terms are met negating the need for repayment;
- Ensure funds go directly to repayment and not for any other use;
- Clarify that Parent PLUS loans are not eligible for loan repayment assistance; and
- Clarify that the Vice Chancellor for Administration is the appropriate official to oversee the program since there is no longer a Vice Chancellor for Health Sciences.

**TITLE 133  
PROCEDURAL RULE  
WEST VIRGINIA HIGHER EDUCATION POLICY COMMISSION**

**SERIES 41  
HEALTH SCIENCES SERVICE PROGRAM**

**§133-41-1. General.**

1.1. Scope. -- This rule promulgates policy and procedure regarding the establishment and operation of a Health Sciences Service Program.

1.2. Authority. -- West Virginia Code §18B-1-6 and §18C-3-3.

1.3. Filing Date. -- ~~July 18, 2019.~~

1.4. Effective Date. -- ~~August 18, 2019.~~

1.5. Repeal of Former Rule. -- Repeals and replaces Title 133, Series 41, dated ~~January 19, 2019~~ August 18, 2019.

**§133-41-2. Purpose.**

2.1. The purpose of this program is to provide an incentive for fourth-year medical students to complete their training and provide primary care or emergency medicine in underserved areas of West Virginia, for other health professional students to complete their training and provide primary care in underserved areas of West Virginia, or for nursing program students to complete their training and teach in a school of nursing in West Virginia.

2.1.a. "Primary care" means the health care services generally provided by family practice physicians, general practice physicians, general internists, geriatricians, obstetrician/gynecologists, general pediatricians, psychiatrists and mid-level providers, including nurse practitioners, nurse-midwives, physician assistants, dentists, pharmacists, physical therapists, doctoral clinical psychologists, and licensed independent clinical social workers, or other disciplines which may be identified as primary care by the Vice Chancellor for ~~Health Sciences~~ Administration.

2.1.b. For medical students, the term "training" is defined as the completion of a degree program in allopathic or osteopathic medicine and includes the successful completion of a primary care or emergency medicine residency. For other applicants, the term "training" is defined as the entire degree program or certification program for advanced practice nurses (both master's and doctoral), physician assistants, dentists, pharmacists, physical therapists, doctoral clinical psychologists, licensed independent clinical social workers, or other disciplines identified as shortage fields by the Vice Chancellor for ~~Health Sciences~~ Administration.

2.1.c. "Underserved" means any primary care health professional shortage area located in the state as determined by the Bureau for Public Health or any additional health professional shortage area determined by the Vice Chancellor for ~~Health Sciences~~ Administration.

2.1.d. "School of nursing" means any associate, baccalaureate, master's or doctoral level nursing program in West Virginia accredited by a national nursing accrediting agency recognized by the United States Department of Education.

2.2. Health Sciences Service Program funds are to be used to award fourth-year medical students at a West Virginia school of allopathic or osteopathic medicine who have been accepted in an accredited primary care or emergency medicine residency program in West Virginia; or to award students who are enrolled in the last academic year of an accredited education program at a West Virginia institution leading to a degree or certification as an advanced practice nurse, physician assistant, dentist, pharmacist, physical therapist, doctoral clinical psychologist, licensed independent clinical social worker, or other disciplines identified as shortage fields by the Vice Chancellor for Health Sciences Administration. Students who are enrolled in the last year of an accredited master's or doctoral degree nursing program in West Virginia and intend to teach at a school of nursing in West Virginia also are eligible. Any funds repaid in lieu of practice in an underserved area of West Virginia or teaching at a school of nursing in West Virginia will be used to establish a revolving fund to make additional awards to eligible students.

### **§133-41-3. Eligibility Criteria.**

3.1. In order to be eligible for a Health Sciences Service Program award, each applicant must:

3.1.a. Certify that the applicant possesses ~~educational debt~~ federal student loans in an amount equal to or exceeding the proposed award amount. ~~“Educational debt” is defined as any government, commercial, or foundation loans for actual costs paid for tuition, reasonable education, and living expenses related to graduate or undergraduate education.~~ Loans eligible for the loan repayment assistance award are federal student loans in the applicant's name that were used for educational costs associated with obtaining a degree. Parent PLUS Loans are not eligible for loan repayment assistance; and

3.1.b. Be enrolled in the last academic year of an accredited education program at a West Virginia institution leading to a degree or certification as a physician, advanced practice nurse, physician assistant, dentist, pharmacist, physical therapist, doctoral clinical psychologist, licensed independent clinical social worker, or other disciplines identified as shortage fields by the Vice Chancellor for Health Sciences Administration.

### **§133-41-4. Application Process.**

4.1. The applicant must apply to the Health Sciences Service Program using an application form approved by the Vice Chancellor for Health Sciences Administration.

4.2. The Vice Chancellor for Health Sciences Administration shall establish a deadline for applying for the Health Sciences Service Program. Applications must be complete and received by the deadline in order for the applicant to be considered for an award.

### **§133-41-5. Selection of Recipients.**

5.1. Recipients will be selected from a pool of all applicants.

5.2. Awards shall be determined by the Vice Chancellor for Health Sciences Administration with the advice of an advisory panel.

5.2.a. The advisory panel may be made up of the Division of Health Sciences Advisory Committee and such other members as may be added by the Vice Chancellor for Health Sciences Administration from time to time.

5.3. In order to be selected to receive a Health Sciences Service Program award, an applicant must agree to practice primary care full-time for at least two (2) years or ~~half~~ part-time for at least four (4) years in an underserved area. For advanced practice nursing only, applicants may agree to practice primary care or teach full-time for at least two (2) years or ~~half~~ part-time for at least four (4) years at a school of nursing. A medical student applicant who intends to enter an emergency medicine residency only must agree to practice emergency medicine instead of primary care full-time for at least two (2) years or ~~half~~ part-time for at least four (4) years in an underserved area.

5.4. Applications will be processed without regard to race, color, religion, sex, national origin, age, disability, genetic information, ~~sexual orientation, gender identity,~~ and veteran or military status.

5.5. In making awards, the Vice Chancellor for ~~Health Sciences~~ Administration may consider such factors as the applicant's expressed commitment to primary care or teaching, ~~his or her~~ their work or community service experiences in underserved areas of the State and the applicant's ties in West Virginia. For a medical student applicant only, the Vice Chancellor for ~~Health Sciences~~ Administration also may consider the applicant's expressed commitment to emergency medicine.

5.6. The number of awards shall be determined by the availability of funds.

5.7. Nothing in this rule shall be construed as granting or guaranteeing any applicant any right to such an award.

5.8. Awarding preference will be given to West Virginia residents in accordance with the West Virginia Higher Education Policy Commission's (Commission) policy regarding "Residency Classification of Students for Admission and Fee Purposes."

#### **§133-41-6. Award Provisions and Agreement.**

6.1. The award amount shall be at least \$20,000 for medical and dental students and at least \$10,000 for all other eligible disciplines.

6.2. The award agreement shall contain the provision that the recipient will agree to practice full-time for at least two (2) years or half-time for at least four (4) years in an underserved area of West Virginia or teach full-time for at least two (2) years or half-time for at least four (4) years at a school of nursing in West Virginia.

6.2.a. Part-time for purposes of fulfillment of Section 6.2 is defined as working a minimum of twenty hours per week.

6.3. The award agreement shall state that if a recipient fails to complete the service obligation ~~the award shall be cancelled. and repayment of the award is required, that the granting of renewal of a license to practice in West Virginia or to reciprocal licensure in another state based upon licensure in West Virginia shall be contingent upon the recipient's complete repayment of the award and any accrued interest, court costs, or other costs associated with the debt.~~

~~6.3.a. No license, renewal or reciprocity shall be granted to persons whose payments are in arrears.~~

~~6.3.b. The appropriate regulatory board shall inform all states where a recipient has~~

~~reciprocated based upon West Virginia licensure of any refusal to renew licensure in West Virginia as a result of failure to repay the award amount.~~

6.4. No award payments shall be disbursed before ~~a properly completed and signed award agreement and documentation of qualifying educational debt have been delivered by the recipient to the Vice Chancellor for Health Sciences or his or her designee.~~ the applicant has completed their service obligation.

6.5. A recipient who fails to complete ~~his or her~~ their training or practice in an underserved area, ~~or fails to teach at a school of nursing, or fails to submit verification of completion of the terms of the contract by a deadline established by the Vice Chancellor for Administration as required by the award agreement is in breach of contract and is liable for repayment of the award as described in Section 9 of this rule.~~ the award will be cancelled.

### **§133-41-7. Notification of Recipients and Fund Disbursement.**

7.1. The Vice Chancellor for ~~Health Sciences~~ Administration or ~~his or her~~ their designee shall notify students of their selection to receive an award.

7.2. The Vice Chancellor for ~~Health Sciences~~ Administration shall disburse funds as follows upon the participant's completion of ~~the service obligation training:~~

7.2.a. One-half of the award amount will be disbursed to the ~~participant upon beginning practice or teaching at an approved practice site.~~ federal student loan servicer upon completion of half of the contract.

7.2.b. The remaining half of the award will be disbursed ~~as follows:~~ at the completion of the contract.

~~7.2.b.1. For participants completing the service obligation through full time practice or teaching, the remaining half of the award will be disbursed to the participant after one year of practice or teaching at an approved site. In order to receive the second disbursement, the participant must provide documentation to the Vice Chancellor for Health Sciences that the participant allocated the entire initial award disbursement toward the participant's educational debt balance.~~

~~7.2.b.2. For participants completing the service obligation through half time practice or teaching, the remaining half of the award will be disbursed to the participant after two years of practice or teaching at an approved site. In order to receive the second disbursement, the participant must provide documentation to the Vice Chancellor for Health Sciences that the participant allocated the entire initial award disbursement toward the participant's educational debt balance.~~

~~7.3. For medical student participants, the participant may elect to receive funds as described in Section 7.2 or may elect to receive funds as follows:~~

~~7.3.a. While completing residency training in an approved primary care or emergency medicine residency program in West Virginia, the participant may at any time elect to draw down one-half of the award amount.~~

~~7.3.b. The remaining half of the award will be disbursed as follows:~~

~~7.3.b.1. For participants intending to complete full-time practice, the remaining half of the award will be disbursed one year after the initial award disbursement as long as the participant continues to fulfill the terms of the service agreement. In order to receive the second disbursement, the participant must provide documentation to the Vice Chancellor for Health Sciences that the participant allocated the entire initial award disbursement toward the participant's educational debt balance.~~

~~7.3.b.2. For participants intending to complete half-time practice, the remaining half of the award will be disbursed two years after the initial award disbursement as long as the participant continues to fulfill the terms of the service agreement. In order to receive the second disbursement, the participant must provide documentation to the Vice Chancellor for Health Sciences that the participant allocated the entire initial award disbursement toward the participant's educational debt balance.~~

#### **§133-41-8. Fulfillment of Agreement.**

8.1. To fulfill the award agreement, a participant must complete the service obligation and provide documentation demonstrating the participant has ~~allocated the entire award towards his or her educational debt~~ completed the terms of the contract by the deadline established by the Vice Chancellor for Administration.

8.2. A recipient shall satisfy ~~his or her~~ their obligation as stated in the recipient's award agreement by practicing primary care full- or ~~half~~ part-time or by full- or ~~half~~ part-time teaching at a school of nursing in West Virginia. A medical student recipient only who has completed an emergency medicine residency shall satisfy ~~his or her~~ their obligation practicing emergency medicine full- or ~~half~~ part-time in West Virginia.

8.2.a. Any recipient may petition the Vice Chancellor for ~~Health Sciences~~ Administration to pursue additional post-graduate training beyond requirements contained in this section. The Vice Chancellor for ~~Health Sciences~~ Administration shall use ~~his or her~~ their discretion in approving such request.

8.2.b. At the time a recipient is ready to start ~~his or her~~ their practice or teaching, he or she may request that additional areas be considered as underserved by the Vice Chancellor for ~~Health Sciences~~ Administration. Among the criteria for consideration of such additional areas are factors such as a population shift which may create an additional underserved area or a location where a physician or other primary health care professional will retire or leave the area for other reasons.

8.2.c. With advance approval of the Vice Chancellor for ~~Health Sciences~~ Administration, the recipient may serve ~~his or her~~ their obligation concurrently with other service obligations.

8.3. A dentistry, advanced practice nursing, pharmacy, physical therapy, or physician assistant recipient must begin practicing and completing the service obligation within six (6) months of graduation.

8.4. A medical student recipient must begin practicing and completing the service obligation within six (6) months of completing a qualifying primary care or emergency medicine residency program in West Virginia.

8.4.a. Under certain circumstances during a medical student recipient's primary care or emergency medicine residency, the recipient may petition the Vice Chancellor for ~~Health Sciences~~ Administration to allow ~~his or her~~ their service obligation to begin during residency.

8.4.b. A recipient making such a request must possess an executed employment contract governing ~~his or her~~ their post-residency employment. The practice site must be located in a qualifying underserved area. If the contract is for full-time employment, it must require the recipient to work at the practice site for at least two (2) years upon completion of a qualifying primary care or emergency medicine residency program in West Virginia. If the contract is for ~~half~~ part-time employment, it must require the recipient to work at the practice site for at least four (4) years upon completion of a qualifying primary care or emergency medicine residency program in West Virginia.

8.4.c. The Vice Chancellor for ~~Health Sciences Administration~~ shall use ~~his or her~~ discretion in approving such a request. If the Vice Chancellor for ~~Health Sciences Administration~~ approves such a request, the recipient may begin serving the service obligation from the execution date of the employment contract.

8.5. A nurse educator recipient must begin teaching and completing the service obligation within six (6) months of graduation.

8.6. A doctoral psychology recipient must begin practicing and completing the service obligation within six (6) months of completing ~~his or her~~ their one (1) year internship required for attaining licensure as a doctoral clinical psychologist.

8.7. A master's level social work recipient must begin practicing and completing the service obligation within six (6) months of completing ~~his or her~~ their two (2) year post-graduate clinical field placement required for attaining licensure as a licensed independent clinical social worker.

8.8. If a recipient serves as much as twelve (12) months full-time practice or twenty-four (24) months of part-time practice for their obligation but does not complete the full obligation, payment to the federal student loan servicer shall be figured on a pro rata basis. No credit shall be given for less than twelve (12) months of service of full-time practice or twenty-four (24) months of part-time practice.

#### **~~§133-41-9. Repayment of Award in Lieu of Service.~~**

~~9.1. In lieu of service, recipients must repay the full amount of funds received, plus interest, within one (1) year of the date they complete or terminate their training or one (1) year following the day they are no longer practicing in an underserved area of West Virginia or teaching in a qualifying nursing program in West Virginia.~~

~~9.1.a. Payment may be made in one full payment or, with the approval of the Vice Chancellor for Health Sciences, arrangements may be made to repay the award over a one (1) year period.~~

~~9.1.b. If a recipient serves as much as twelve (12) months full-time practice or twenty-four (24) months of half-time practice for his or her obligation but does not complete the full obligation, payment shall be figured on a pro rata basis. No credit shall be given for less than twelve (12) months of service of full-time practice or twenty-four (24) months of half-time practice.~~

~~9.2. Interest shall start to accrue on the day the recipient completes or terminates training or is no longer serving as stated in his or her award agreement.~~

~~9.2.a. For medical student recipients who draw down award funds during residency and default before completion of their residency program or fail to begin practicing at an approved practice site in West Virginia, interest shall accrue from the recipient's first award disbursement date.~~

~~9.2.b. Interest shall be at fifteen (15) percent. The Commission may, from time to time, change the rate of interest.~~

~~9.3. The recipient shall pay all attorney's fees and other costs and charges for the collection of any amount not paid when due.~~

**~~§133-41-10. Cancellation and Waiver of Practice or Teaching Obligation.~~**

~~10.1. In the event of the recipient's death, any unpaid indebtedness on his or her obligation shall be cancelled.~~

~~10.2. In the event of the permanent, total disability of the recipient, any unpaid indebtedness on his or her obligation shall be cancelled.~~

~~10.3. In certain cases such as partial disability, chronic disease, or other instances of extreme hardship, repayment of the award may be postponed, reduced or waived. The recipient must thoroughly document a request for such consideration. The Vice Chancellor for Health Sciences shall be the authority that may grant such postponement or waiver.~~

**~~§133-41-119. Annual Certification of Practice or Teaching.~~**

~~11.9.1. To be eligible for credit toward the obligation payment to the federal student loan servicer, the recipient must have approval from the Vice Chancellor for Health Sciences Administration to practice at a specific practice site in an underserved area in West Virginia or teach in a specific qualifying nursing program in West Virginia. Throughout the course of their participation in the program, participants must annually provide evidence of continued practice or teaching at an approved site. Such evidence shall be presented on a form provided by the Vice Chancellor for Health Sciences Administration for this purpose.~~

~~11.9.2. Recipients shall be required to maintain their current mailing address, email address, and phone number with the Vice Chancellor for Health Sciences Administration until such time as the obligation has been satisfied through service or repayment contract has been fulfilled.~~

**West Virginia Higher Education Policy Commission**  
**Meeting of June 27, 2025**

**ITEM:** Approval of Revisions to Series 63, Legislative Rule, *Mental Health Loan Repayment Program*

**INSTITUTIONS:** All

**RECOMMENDED RESOLUTION:** *Resolved*, That the West Virginia Higher Education Policy Commission approves revisions to Series 63, *Mental Health Loan Repayment Program*, to be filed with the Secretary of State for a 30-day public comment period, and if no substantive comments are received, forward the rule to the Legislative Oversight Commission on Education Accountability for approval and further legislative action.

**STAFF MEMBER:** Joseph Jenkins

**BACKGROUND:**

The proposed revisions to Series 63, *Mental Health Loan Repayment Program* address the following:

- Include licensed graduate social worker as an eligible field for an applicant;
- Clarify that the award is for federal student loans rather than the generic “educational debt” and that Parent PLUS loans are not eligible for loan repayment assistance;
- Ensure funds go directly to repayment and not for any other use;
- Update language regarding nondiscrimination;
- Clarify that the Vice Chancellor for Administration is the appropriate official to oversee the program since there is no longer a Vice Chancellor for Health Sciences.

In addition, this rule sunsets on August 15, 2026. Since it is a continuing program, it is recommended the rule be reauthorized.

**TITLE 133  
LEGISLATIVE RULE  
WEST VIRGINIA HIGHER EDUCATION POLICY COMMISSION**

**SERIES 63  
MENTAL HEALTH LOAN REPAYMENT PROGRAM**

**§133-63-1. General.**

1.1. Scope. -- This rule establishes requirements for eligibility, award, maintenance, and termination of the financial incentives provided by the Mental Health Loan Repayment Program.

1.2. Authority. -- West Virginia Code §18B-1-6 and §18C-3-3(e) and (f).

1.3. Filing Date. -- ~~July 15, 2021.~~

1.4. Effective Date. -- ~~August 15, 2021.~~

1.5. This rule shall terminate and have no further force or effect ~~upon the expiration of five years from its effective date on.~~

**§133-63-2. Purpose.**

2.1. The purpose of this program is to provide an incentive for practicing mental health professionals to deliver therapy or counseling services in underserved areas of West Virginia.

2.2. Mental Health Loan Repayment Program funds shall be awarded to West Virginia residents who are currently practicing mental health professionals and who provide therapy or counseling services in an underserved area of West Virginia. A revolving fund will be established for funds for this program.

**§133-63-3. Eligibility Criteria.**

3.1. In order to be eligible for a Mental Health Loan Repayment Program award, each applicant must:

3.1.a. Certify that the applicant possesses ~~educational debt~~ federal student loans in an amount equal to or exceeding the proposed award amount; and

3.1.b. Be a graduate of an accredited program at an institution of higher education, having obtained a degree preparing them for licensure as a licensed doctoral clinical psychologist, master's level licensed psychologist, licensed independent clinical social worker, licensed certified social worker, licensed professional counselor, licensed marriage and family therapist, psychiatric mental health nurse practitioner, licensed graduate social worker, or other mental health disciplines identified by the ~~Senior Director of Health Sciences~~ Vice Chancellor for Administration as experiencing a shortage of practitioners; and

3.1.c. Be employed in an underserved area in West Virginia, providing individual therapy or counseling and/or group therapy or counseling for a majority of ~~his, her or~~ their practice.

**§133-63-4. Application Process.**

4.1. The applicant must apply to the Mental Health Loan Repayment Program using an application form provided by the ~~Senior Director of Health Sciences~~ Vice Chancellor for Administration

4.2. Applicants for participation in the Mental Health Loan Repayment Program shall submit their applications by the deadline established by the ~~Senior Director of Health Sciences~~ Vice Chancellor for Administration. Applications must be complete and received by the deadline in order for the applicant to be considered for an award.

#### **§133-63-5. Selection of Recipients.**

5.1. Recipients will be selected from a pool of all qualified applicants.

5.2. Awards shall be determined by the ~~Senior Director of Health Sciences~~ Vice Chancellor for Administration with the advice of an advisory panel. The advisory panel may be made up of the Division of Health Sciences Advisory Committee and such other members as may be added by the ~~Senior Director of Health Sciences~~ Vice Chancellor for Administration from time to time.

5.3. In order to be selected to receive a Mental Health Loan Repayment Program award, an applicant must agree to provide mental health therapy or counseling services for at least one (1) year full-time or at least two (2) years part-time in an underserved area for every year that funding is awarded.

5.4. Applications will be processed without regard to race, color, religion, sex, national origin, ancestry, sex, age, disability, genetic information, ~~sexual orientation, gender identity, familial status or~~ and veteran or military status.

5.5. In making awards, the ~~Senior Director of Health Sciences~~ Vice Chancellor for Administration may consider such factors as the applicant's expressed commitment to the provision of mental health services in underserved communities, and ~~his, her or~~ their work or community service experiences in underserved areas of the State.

5.6. The number of awards shall be determined by the availability of funds.

5.7. Nothing in this rule shall be construed as granting or guaranteeing any applicant any right to such an award.

#### **§133-63-6. Award Provisions and Agreement.**

6.1. The award amount shall be up to \$10,000 (depending on outstanding ~~debt~~ federal student loans) for one (1) year of full-time service or two (2) years of part-time service for eligible mental health professionals. ~~The award shall be renewable~~ Recipients can receive the award up to three (3) years times based on availability of funds and continued eligibility for the loan repayment program.

6.2. The award agreement shall contain the provision that the recipient will agree to practice full-time for at least one (1) year or part-time for at least two (2) years in an underserved area of West Virginia.

6.3. No award payments shall be disbursed before a properly completed and signed award agreement and documentation of ~~qualifying educational debt~~ outstanding federal student loans have been delivered by the recipient to the ~~Senior Director of Health Sciences~~ Vice Chancellor for Administration or ~~his or her~~ their designee.

#### **§133-63-7. Notification of Recipients and Fund Disbursement.**

7.1. The ~~Senior Director of Health Sciences~~ Vice Chancellor for Administration or ~~his or her~~ their designee shall notify recipients of their selection to receive an award.

7.2. The full amount of the award shall be disbursed to the ~~participant~~ federal student loan servicer

upon the receipt of verification of one (1) year of full-time employment or two (2) years of part-time employment in an approved site, beginning from the date of the award agreement. The ~~Senior Director of Health Sciences~~ Vice Chancellor for Administration shall approve the disbursement of the funds.

#### **§133-63-8. Fulfillment of Agreement.**

8.1. To fulfill the award agreement, a participant must complete and document the service obligation by a deadline established by the Vice Chancellor for Administration or the award will be cancelled. ~~If applying for additional funding, the recipient must provide documentation demonstrating that the entire award has been allocated toward recipient's educational debt.~~

8.2. A recipient shall satisfy obligation as stated in the recipient's award agreement by practicing mental health therapy or counseling full- or part- time in an underserved area of West Virginia.

8.3. If at any time during the term of the agreement the recipient needs to change the practice site, the recipient may request approval from the ~~Senior Director of Health Sciences~~ Vice Chancellor for Administration and may request that additional areas be considered as underserved if appropriate.

8.4. With advance approval of the ~~Senior Director of Health Sciences~~ Vice Chancellor for Administration, the recipient may serve ~~his or her~~ their obligation concurrently with other service obligations.

#### **§133-63-9. Definitions.**

9.1. "Practicing mental health professionals" means licensed doctoral clinical psychologists, master's level licensed psychologists, licensed independent clinical social workers, licensed certified social workers, licensed professional counselors, licensed marriage and family therapists, psychiatric mental health nurse practitioners, or other disciplines which may be identified as practicing mental health professionals providing therapy or counseling services by the ~~Senior Director of Health Sciences~~ Vice Chancellor for Administration.

9.2. "Underserved area" means any mental health professional shortage area located in the state as determined by the Bureau for Public Health, any hospital devoted solely to the provision of mental health services, or any additional mental health professional shortage area determined by the ~~Senior Director of Health Sciences~~ Vice Chancellor for Administration.

9.3. ~~"Educational debt" is defined as any government, commercial, or foundation loans for actual costs paid for tuition, reasonable education, and living expenses related to graduate or undergraduate education.~~ Federal student loans are loans in the applicant's name that were used for educational costs associated with obtaining a degree. Parent PLUS Loans are not eligible for loan repayment assistance.

9.4. "Part-time" for purposes of fulfillment of Section 5.3 is defined as working a minimum of twenty ~~or more~~ hours per week.

**West Virginia Higher Education Policy Commission  
Meeting of June 27, 2025**

**ITEM:** Approval of Revisions to Series 64, Legislative Rule, Administrative Exemption

**INSTITUTIONS:** All

**RECOMMENDED RESOLUTION:** *Resolved*, That the West Virginia Higher Education Policy Commission approves revisions to Series 64, *Administrative Exemption*, to be filed with the Secretary of State for a 30-day public comment period, and if no substantive comments are received, forward the rule to the Legislative Oversight Commission on Education Accountability for approval and further legislative action.

**STAFF MEMBER:** Joseph Jenkins

**BACKGROUND:**

The proposed revisions to Series 64, *Administrative Exemption* address the following:

- Clarify that applications for administrative exemption are to be submitted to the Commission January 1 to January 31 for the following academic year;
- Clarify that the loss of administrative exemption is automatic if the statutory requirements are no longer met.
- Clarify the process for revoking administrative exemption if the special circumstances upon which the exemption was granted no longer exist.

In addition, this rule sunsets on August 15, 2026. W. Va. Code requires the Commission to have a rule promulgated to implement the administrative exemption process and therefore, it is recommended the rule be reauthorized.

**TITLE 133  
LEGISLATIVE RULE  
WEST VIRGINIA HIGHER EDUCATION POLICY COMMISSION**

**ADMINISTRATIVE EXEMPTION**

**SERIES 64**

**§133-64-1. General.**

1.1. ~~Scope and Purpose.~~ – This legislative rule establishes the process by which the West Virginia Higher Education Policy Commission (Commission) will grant administrative exemption status to and remove administrative exemption status from the State’s baccalaureate institutions of higher education.

1.2. Authority. – West Virginia Code §18B-1-1f(c).

1.3. Filing Date. – ~~July 15, 2021.~~

1.4. Effective Date. – ~~August 15, 2021.~~

1.5. This rule shall terminate and have no further force or effect ~~upon the expiration of five years from its effective date on.~~

**§133-64-2. Definitions.**

2.1. “Administratively exempted schools” means state colleges and universities;

2.1.a. ~~That~~ achieve and maintain three of the five ~~of the~~ following criteria:

2.1.a.1. Graduation rate: A three-year average graduation rate of not less than 45 percent;

2.1.b.2. Retention rate: A three-year average retention rate of not less than 60 percent;

2.1.c.3. Credit head count enrollment: A three-year credit head count enrollment increase, or a decrease of not more than five percent over the same period;

2.1.d.4. Days of cash reserved: A three-year average of not less than 50 days cash reserved;

2.1.e.5. Composite Financial Index: A Composite Financial Index of not less than one as reported in the college and university’s audited financial statements; or

2.1.f. Whose governing board requests a review by the ~~e~~Chancellor of any special circumstances and the Commission grants administratively exempted status based on those special circumstances as verified by the ~~e~~Chancellor after his or her review.

2.2. “Composite Financial Index” means the benchmarking tool used by the Higher Learning Commission as a financial indicator and developed specifically for the higher education industry and is a combination of several different ratios, each of which is comprised of data that, when analyzed further, can provide insight into an institution’s financial health and inform decision-making processes;

2.3. “Credit headcount enrollment” means the total number of unique students, but not counting dual-enrolled high school students, who enrolled in credit-bearing classes during the fall, spring, and summer terms in a given academic year at a specific institution.

2.4. “Days of cash reserved” means the audited end of fiscal year cash balance, multiplied by 365, and then divided by the audited total expenses less depreciation, and less other post-employment benefit and pension liability expenses.

2.5. “Graduation rates” means the proportion of first time in college students who obtain a bachelor’s degree within six years, as further defined by and reported to the Commission.

2.6. “Retention rates” means the proportion of first-time, fall term, full-time freshmen students who are in continuing enrollment in the fall term of the next succeeding year.

2.7. “State college and university” shall have the same meaning as provided in West Virginia Code §18B-1-2.

### **§133-64-3. Procedure for Requesting Status as an Administratively Exempt School.**

3.1. Requesting Administratively Exempt Status. – Any State college or university may apply to the Commission for designation as an administratively exempt school by its governing board submitting a letter to the Chancellor requesting such status and setting forth which of the criteria established in West Virginia Code §18B-1-1f(b) and reiterated in subsection 2.1 above the college or university meets. Applications must be submitted to the Commission between January 1 and January 31 for the following academic year.

3.2. Reviewing Administratively Exempt School Status. – Upon receipt of a request for administrative exemption, the Commission shall verify that the requesting institution meets the statutory criteria using data submitted by the college or university to, and validated by, the Commission.

3.3. Institutions shall provide promptly upon request from the Commission or Chancellor any information to support the Commission’s review of the institution’s performance as an administratively exempt college or university.

### **§133-64-4. Procedure for Granting or Denying Status as an Administratively Exempt School.**

4.1. Approval of Administratively Exempt School Status. – Upon verification that an institution meets three of the five requirements to be designated as an administratively exempt school, the Commission shall vote on the matter at its next regularly scheduled meeting ~~whether to grant or deny such request.~~

### **§133-64-5. Procedure for Reviewing Administratively Exempt Status Once Granted.**

5.1. Review of Administrative Exempt School Status Institutions. – Commission staff will review annually all criteria, either statutory or special circumstances, for administratively exempt school status for the administratively exempt institutions.

5.2. If, during its annual review, Commission staff determines that an administratively exempt school has failed to meet one or more of the criteria by which it initially qualified for administrative exemption status, but that it also now meets one or more of the other criteria that would allow it to maintain its administrative exemption, Commission staff will notify the institution that it is being allowed to maintain its administrative exemption status under the newly met criteria.

5.3. Each year, as part of the statutorily mandated annual reauthorization process established in 133 C.S.R. 52, *Annual Reauthorization of Degree Granting Institutions*, the reauthorization review committee shall determine whether administratively exempted institutions are meeting at least three of the exemption criteria specified in Section 2 of this rule.

5.3.a. Those administratively exempted institutions meeting three or more of the criteria in the review process shall be reported in the annual reauthorization resolution to the Commission as qualified to maintain administratively exempt status.

5.3.b. Those administratively exempt institutions that fail to meet at least three of the exemption criteria shall be reported in the annual reauthorization resolution to the Commission as failing to meet the requirements to maintain the administratively exempt status. The institution shall be formally notified of this finding by the process set forth in Section 6 below.

#### **§133-64-6. Revoking Administratively Exempt School Status Procedure.**

6.1. ~~Revoking Administratively Exempt School Status.~~ – Upon the annual review, institutions that do not meet three of the five requirements for administratively exempt school status, ~~or whose special circumstances have changed,~~ the Chancellor will notify the President of the institution that they no longer meet the requirements for the designation and that the institution has one year to meet the requirements again.

~~6.1.a.2.~~ Upon the second consecutive annual review where institutions ~~that~~ do not meet three of the five requirements for exempt status, the Chancellor will notify the President that the institution no longer is eligible and that the ~~Commission will vote to revoke administratively exempt status in no less than 30 days~~ institution will have its administratively exempt status revoked after thirty (30) days from the date of the notice.

~~6.1.b.~~ ~~After 30 days have passed following the notification that an institution no longer meets three of the five requirements for exempt status, the Commission may vote to revoke the institution's administratively exempt status.~~

6.3. Upon the annual review, if it is determined that the special circumstances that the administratively exempted status is based on no longer exist, the Chancellor will notify the President that the institution no longer is eligible and that the institution will have its administratively exempt status revoked after thirty (30) days from the date of the notice.

**West Virginia Higher Education Policy Commission  
Meeting of June 27, 2025**

**ITEM:** Approval of Repeal of Commission Rules

**INSTITUTIONS:** All

**RECOMMENDED RESOLUTION:** *Resolved, That the West Virginia Higher Education Policy Commission approves the repeal of Series 43, **Purchasing Efficiencies**, Series 48, **Research Trust Fund Program**, and Series 51, **Bookstores and Textbooks**.*

**STAFF MEMBER:** Joseph Jenkins

**BACKGROUND:**

All three rules proposed for repeal are obsolete. The elements of Series 43, *Purchasing Efficiencies*, have been adopted into other rules and policies; the Research Trust Fund Program no longer exists; and Series 51, *Bookstores and Textbooks*, was a rule enforcing Federal and State mandates placed upon the institutions to address the selection and affordability of textbooks, which the institutions have implemented.

**TITLE 133**  
**LEGISLATIVE RULE**  
**WEST VIRGINIA HIGHER EDUCATION POLICY COMMISSION**

**SERIES 43**  
**PURCHASING EFFICIENCIES**

**§133-43-1. General.**

~~1.1. Scope — This rule establishes the guidelines for the Commission and the institutions, individually or cooperatively, to maximize their use of bulk purchasing, reverse bidding, electronic market places and electronic remitting in the acquisition or procurement of materials, supplies, equipment and services.~~

~~1.2. Authority — W. Va. Code §§18B-5-9, 18B-17-6(b).~~

~~1.3. Filing Date: — April 6, 2004.~~

~~1.4. Effective Date: — April 6, 2004.~~

~~1.5. Repeal of Former Rules: — None.~~

**§133-43-2. Definitions.**

~~2.1. As used in this rule, all terms have the same meaning as provided in W. Va. Code §18B-1-2, and as follows:~~

~~2.1.1. "Bid" means an offer to perform a contract for service, work and labor, or the supplying of goods, materials, equipment or printing at a specified price in accordance with the specifications in a request for bids.~~

~~2.1.2. "Bidder" means one who makes a bid.~~

~~2.1.3. "Bulk purchasing" means the acquisition or procurement of materials, supplies, equipment, services and printing in quantity in order to benefit from the most favorable terms, prices and economies of scale.~~

~~2.1.4. "Buyer" means an individual designated by a chief procurement officer to perform designated purchasing and acquisition functions as authorized by the chief procurement officer.~~

~~2.1.5. "Chancellor" means the chief executive officer of the Commission employed pursuant to W. Va. Code §18B-1B-5.~~

~~2.1.6. "Chief procurement officer" means the individual designated by a president of a state institution of higher education to manage, oversee and direct the purchasing, acquisition and inventory management of materials, supplies, equipment, services, and printing, and disposal of obsolete and surplus materials, supplies, and equipment for that institution. For the Commission's Office and West Virginia Network for Educational Telecomputing, the chief procurement officer is the person designated by the Chancellor.~~

~~2.1.7. "Commission Office" means the office that houses the Chancellor, Vice Chancellor for Administration and other Commission staff.~~

~~2.1.8. "Commodity" means an article which is useful or serviceable, particularly an article of merchandise movable in trade; a good, or service of any kind, including construction; an article of trade or commerce; things that are bought and sold.~~

~~2.1.9. "Competitive bidding" means bids that are submitted in response to an invitation, public notice or advertisement of an intended sale or purchase.~~

~~2.1.10. "Electronic marketplaces" means an environment in which participating buyers and sellers exchange information about prices and product offerings and the procurement and payment process is conducted primarily via the Internet and websites of both the buyers and sellers.~~

~~2.1.11. "Electronic remitting" means to send or transmit documents, information or money (as in the transfer of funds or for payment of goods and services) by means of~~

computer, telephone or electronic instrument from the originator to the recipient.

2.1.12. "Essential service" means something basic; a commodity that is necessary, indispensable, or unavoidable and is purchased in a routine, repetitive, and noncompetitive manner.

2.1.13. "F.O.B. destination" and "free on board destination" mean the seller or vendor must transport or pay for the transportation of the materials, supplies, equipment, services and printing, to the point of destination specified in the contract.

2.1.14. "Governing Boards" or "Boards" means the institutional boards of governors created pursuant to W. Va. Code §18B-2A-1(b).

2.1.15. "Institution(s)" means any public West Virginia university, college, community and technical college, individually or collectively, created pursuant to W. Va. Code §18B-1-2. For the purposes of this rule, the Commission's Office and West Virginia Network for Educational Telecomputing shall also be considered institutions.

2.1.16. "President" means the executive officer of an institution.

2.1.17. "Sole source" means only one vendor can supply the desired product or service.

2.1.18. "Single source" means that the desired product or service is available from only one supplier because of the uniqueness and characteristics of the product or service offered.

2.1.19. "Responsible bidder" and "responsible vendor" mean a person and/or vendor who have the capability in all respects to perform contract requirements, and the integrity and reliability that will assure good faith performance.

2.1.20. "Responsive bidder" and "responsive vendor" mean a person and/or vendor who have submitted a bid that conforms in all material respects to the invitation to bid.

2.1.21. "Reverse Bidding" means (1) an offer by an intended purchaser to a seller to pay a designated price for the specified material, supplies, equipment, services and printing; (2) the buyer uses the electronic marketplace to set a date and time for interested vendors to bid on certain commodities, an opening bid is made, and other vendors follow by bidding downward until no one chooses to sell to the buyer at a lower price.

2.1.22. "Sealed bid" means bid submitted under seal, and which is not to be opened until a specified time at which all bids are to be opened and compared.

2.1.23. "Vendor" means a seller of goods and services.

2.1.24. "West Virginia Higher Education Policy Commission" or "Commission" means the commission created pursuant to W. Va. Code §18B-1B-1.

2.1.25. "Vice Chancellor for Administration" means that person employed by the Chancellor in accordance with W. Va. Code §18B-4-2. The Vice Chancellor for Administration shall assume all powers and duties that were assigned to the Senior Administrator.

### **133-43-3. Applicability.**

3.1. This rule applies to all institutions as defined in Section 2.

### **133-43-4. Purchase or Acquisition of Materials, Supplies, Equipment, Services, Construction and Printing.**

4.1. As provided by this rule, the Commission and institutions may institute the following purchasing practices either individually or cooperatively for purchase or acquisition of materials, supplies, equipment, services and printing.

#### **4.2. Bulk Purchasing:**

4.2.1. The Commission shall establish a working committee consisting of Commission staff and institutional representatives to identify the materials, supplies, equipment, services and

printing that may reasonably be purchased in bulk to take advantage of economies of scale. In compiling this list and in assessing the economic advantage of purchasing a commodity or service in bulk, the committee shall consider the acquisition cost of the commodity or service, included but not limited to, delivery costs, handling and storage costs, timing of purchases and customer satisfaction. This committee shall also monitor and report to the Chancellor from time to time on any cost savings and efficiencies realized from bulk purchasing.

4.2.2. Bulk purchase contracts may be bid and entered into by either the Commission or an institution on behalf of all institutions. Once issued, the Commission and all institutions participating in the contract shall use it as the primary source of procurement of the commodities or services provided in the contract. The Chief Procurement Officer may authorize purchases off the contract if it is deemed to be in the best interests of the Commission or institution to do so. If an institution decides not to participate in a bulk purchase contract, the institution's Chief Procurement Officer shall state in writing the reason(s) for not participating and the cost savings resulting therefrom.

#### 4.3. Reverse Bidding:

4.3.1. The Commission shall establish a working committee consisting of representatives from the Commission staff and institutions to implement reverse bidding for all public higher education institutions within the State. The working group shall review currently accepted reverse bidding practices within both corporate America and higher education to determine what is most appropriate to West Virginia higher education. Software and other enabling media shall also be investigated. Recommendations shall be made in a timely manner by the group which addresses commodities to be purchased through reverse bidding, software and enabling media, implementation procedures, and time lines to effect reverse bidding within higher education in the State.

#### 4.4. Electronic Marketplaces:

4.4.1. Electronic marketplaces, also known as e-procurement, will allow the

Commission and the institutions to buy or sell goods and services in a digital environment. This procurement method takes advantage of combined purchasing power, improved processes and will allow better utilization of automated systems. It will also integrate higher education buyers directly into the market place, aide in sharing best business practices and assist buyers in gaining control and thus strengthen vendor relationships, gaining access to tracking mechanics which will provide the ability to tract and report hard dollar savings.

4.4.2. This method of purchasing is relatively new and it will require research and planned implementation before the Commission and the institutions can take full advantage of it as a common purchasing method. As a result, a committee of Commission and institution staff will be formed to develop this method as a viable alternative to other procurement methods, plan its implementation and identify the goods and services that may be most effectively acquired using this method. Once these tasks are accomplished, this method may be employed in the acquisition of goods and services.

#### 4.5. Electronic Remitting:

4.5.1. The Commission and the institutions may utilize electronic remitting in the course of transacting business with vendors, other private entities, state agencies and governmental units. This includes but is not limited to:

a. Remitting payment for goods and services electronically to vendors.

b. Electronically performing the processes and providing documents to the Attorney General, State Auditor, the Department of Administration and other governmental agencies which are required by W. Va. Code and normal business practices.

4.5.2. A committee composed of Commission staff and institutional representatives shall work with the State Auditor to implement, by December 31, 2003, an easy to use, cost effective and efficient program to electronically remit payment for goods, services, utilities, etc. to vendors and providers.

~~————— 4.5.3. In order to gain efficiencies and economy of operation the following processes required by W. Va. Code may be performed electronically using existing technology, software and procedures:~~

~~————— a. Encumbrance: Purchases exceeding the dollar amount identified in W. Va. Code §18B-5-4(a)(5), for purchases by sealed bids and competitive bidding, may be directly and electronically entered into the state's centralized accounting system by the staff of the Commission or the governing boards to satisfy the requirements of article two, chapter five a, and more specifically, sections twenty-six, twenty-seven and twenty-eight to determine whether the amount of the purchase is within the Commission's or governing board's quarterly allotment, is in accordance with the approved expenditure schedule, and otherwise conforms to the provisions of article two, chapter five a. The electronic entry shall be in lieu of any hard copy or paper submission. Purchases not exceeding the dollar amount in W. Va. Code §18B-5-4(a)(5) do not require encumbrance and shall be accounted for and liquidated in the state's centralized accounting system through the payment process.~~

~~————— b. Filing contracts with the State Auditor: The Commission and the institutions may file contracts with the State Auditor as required by W. Va. Code §18B-5-4(i) electronically or may make these contracts available to the State Auditor by any other acceptable means.~~

~~TITLE 133~~  
~~LEGISLATIVE RULE~~  
~~WEST VIRGINIA HIGHER EDUCATION POLICY COMMISSION~~  
  
~~SERIES 48~~  
~~RESEARCH TRUST FUND PROGRAM~~

~~§133-48-1. General.~~

~~1.1. Scope. This rule establishes guidelines, procedures and documentation standards for the distribution of funds, as legislatively provided, in the West Virginia Research Trust Fund.~~

~~1.2. Authority. West Virginia Code §18B-18A-1 et seq.~~

~~1.3. Filing Date. April 8, 2022.~~

~~1.4. Effective Date. June 5, 2022.~~

~~1.5. Sunset Date. This rule shall terminate and have no further force or effect on June 5, 2027.~~

~~§133-48-2. Definitions.~~

~~2.1. Commission. West Virginia Higher Education Policy Commission.~~

~~2.2. Chancellor. Individual employed as Chancellor for Higher Education pursuant to W.Va. Code § 18B-1B-5.~~

~~2.3. Competitive Award. Any grant or fund transfer provided through a process that is initiated by an open request for proposals, includes a merit review, and results in a selected number of grants being provided to support proposed activities.~~

~~2.4. Designation. A specification made by either the donor or the institution that sets forth the exact use or specific endowment placement for a gift.~~

~~2.5. Directed Research Endowment or Research Endowment. An account established at or administered by a participating institution or its affiliated research corporation or foundation for purposes of funding qualified activities under this program.~~

~~2.6. Directed Research Endowment Plan or Research Plan. The strategies and procedures formally approved and adopted by a governing board of a participating institution outlining how the institution proposes to use directed research endowment proceeds to meet research goals and objectives.~~

~~2.7. Directed Research Endowment Proceeds or Endowment Proceeds. Investment earnings accruing to a participating institution's directed research endowment and available for expenditure by the participating institution or its affiliated research corporation.~~

~~2.8. Foundation. A corporation created, organized and located in West Virginia that meets the following conditions:~~

~~2.8.a. Is organized and operated for educational purposes in support of one or more state institutions of higher education and other affiliated organizations;~~

~~2.8.b. Is designated by the governing board of one or more state institutions of higher education to receive charitable contributions for educational purposes on behalf of the institution or institutions;~~

~~2.8.c. Does not have any part of its earnings inuring to the benefit of any private shareholder or individual;~~

~~2.8.d. Is not disqualified from tax exemption under 26 U.S.C. § 501(c)(3) for any reason; and,~~

~~2.8.e. Does not participate or intervene in, on behalf of or in opposition to any political campaigns for public office.~~

~~2.9. Fiscal Year. The state fiscal budget year which begins on July 1 and ends on June 30.~~

~~2.10. Participating Institution. Marshall University, West Virginia University, or West Virginia State University.~~

~~2.11. Qualified Private Donation or Qualified Donation. Any private donation, gift, or external bequest provided to a directed research endowment on or after March 8, 2008.~~

~~2.12. Qualified Private Donation Pledge or Qualified Pledge. Any pledge, commitment, or other agreement to give a private donation to a directed research endowment that is made pursuant to a written agreement between the donor and the appropriate institution or its affiliated research corporation or foundation on or after March 8, 2008.~~

~~2.13. Research Corporation. An organization created pursuant to the provisions of W.Va. Code § 18B-12-1 et seq.~~

~~2.14. State College. The West Virginia School of Osteopathic Medicine, Bluefield State College, Concord University, Fairmont State University, Glenville State College, Shepherd University, or West Liberty University for the purposes of this rule.~~

~~2.15. State Match or Match Funds. Any and all funds awarded from the trust fund in response to a private qualified donation.~~

~~2.16. STEM Fields. All science, technology, engineering and mathematics disciplines as defined by the Commission master plan.~~

~~2.17. Trust Fund. The special account designated as the West Virginia Research Trust Fund and administered by the Commission.~~

~~2.18. Vice Chancellor for Science and Research or Vice Chancellor. The Commission's chief scientific employee charged with overseeing the trust fund, compliance with these rules, record keeping, and authorization of disbursement of funds under the general direction of the Chancellor.~~

### **~~§133-48-3. Administration.~~**

~~3.1. The Vice Chancellor administers the program under the general direction of the Chancellor and the Commission and in consultation with the Advisory Council.~~

### **~~§133-48-4. Eligibility Criteria.~~**

~~4.1. During the first five years of the trust fund's existence (or five years after more funds are deposited) and in compliance with this rule, the Commission shall disburse up to sixty five (65) percent of moneys in this account to match qualified donations and pledges received by West Virginia University, thirty (30) percent of moneys to match qualified donations and pledges received by Marshall University and five (5) percent of moneys to match qualified donations and pledges received by West Virginia State University.~~

~~4.2. State colleges are eligible to receive awards through a competitive process established by the Commission. Only those funds derived from investment earnings accruing in the Research Trust Fund or those that remain unmatched by the participating institutions by July 1, 2015 are available to state colleges pursuant to section 12 of this rule.~~

~~4.3. Scientific disciplines. Only those scientific disciplines or combinations of interdisciplinary research activities in the list below are eligible for trust fund matches.~~

~~4.3.a. Energy and environmental sciences;~~

~~4.3.b. Nanotechnology and materials sciences;~~

~~4.3.c. Biological, biotechnical and biomedical sciences;~~

~~4.3.d. Transportation technology and logistics;~~

~~4.3.e. Biometrics, security, sensing, and related identification technologies; and~~

~~4.3.f. Gerontology.~~

~~4.4. Any external gift meeting the standards established by this rule and included in the institution's approved research plan is eligible for equal matching amounts from the trust fund.~~

#### **~~§133-48-5. Institutional Research Plans.~~**

~~5.1. Prior to disbursement of any trust fund moneys to a participating institution, the governing board of that participating institution shall submit to the Commission a directed research endowment plan. The plan shall provide the Commission with an explanation of the institution's comprehensive research objectives and plans to build competitive research infrastructure in the specified scientific disciplines as well as comprehensive measures for achieving this goal.~~

~~5.2. The Commission encourages the participating institutions to consider the value of clustering research programs around academic disciplines and encourages the creation of a critical mass of scholarly researchers who can address state and national needs.~~

~~5.3. The Commission encourages collaboration and cooperation among universities, centers, corporations and federal laboratories that increase opportunities for partnerships in discovery, learning and knowledge creation.~~

~~5.4. The Commission encourages institutions to plan for endowments that recognize interdisciplinary problem solving and teams of scientists across departmental, college and institutional lines.~~

~~5.5. The research plan will include, but is not limited to, the following:~~

~~5.5.a. An assessment of the participating institution's current research initiatives in STEM fields, including any initiatives falling within disciplines or areas of research specified by this rule;~~

~~5.5.b. An assessment of the potential outcomes of specific research lines proposed for enhancement by the institution;~~

~~5.5.c. A narrative describing the current or proposed collaborations, particularly with other institutional partners, that play or will play a significant collaborative role in achieving institutional objectives;~~

~~5.5.d. A narrative describing the centers, institutes or other academic units proposed, currently under development, or currently operating, that play or will play a significant role in achieving institutional research objectives;~~

~~5.5.e. An analysis of possible strategies to enhance current research initiatives;~~

~~5.5.f. An outline of the participating institution's proposed uses of endowment proceeds, including the anticipated costs associated with each proposed use and identification of any specific disciplinary hires;~~

~~5.5.g. A narrative describing major research equipment acquisitions currently under consideration that will contribute substantially to the plan;~~

~~5.5.h. A cost analysis for achieving research goals with a comparison to the expected endowment proceeds available to the institution;~~

~~5.5.i. An evaluation of how the research plan furthers the purposes of:~~

~~5.5.i.1. The trust fund's goals;~~

~~5.5.i.2. The state's strategic plan for science and technology; and~~

~~5.5.i.3. The research needs of the institution.~~

~~5.5.j. Identification of the proposed uses for which alternative funding sources may be sought to enhance the comprehensive research initiatives contemplated by the participating institution. Alternative funding sources exclude qualified donations, matching moneys from the trust fund, and the endowment proceeds generated from the trust fund; and~~

~~5.5.k. How the amount allocated for distribution to the participating institution will be directed within institutional goals.~~

~~5.6. The governing board of each participating institution shall submit its approved research plan to the Vice Chancellor prior to submitting its first request for a distribution of matching moneys from the trust fund.~~

~~5.7. The Vice Chancellor shall conduct a thorough review of the plan for compliance with the provisions of §18B-18A-1 *et seq.* and this rule.~~

~~5.8. The approved plan serves as the overarching document for guiding future endowment activities, research investments and reports.~~

#### **~~§133-48-6. Expenditure Compliance Procedures.~~**

~~6.1. Uses of Program Funds. When trust funds are transferred to institutions for deposit into specific endowments in approved scientific disciplines, the participating institutions may use up to one hundred (100) percent of the annual investment earnings from the endowments to pay the base salaries of newly endowed department chairs, new professorship positions, new research scientists and staff positions, including research technicians and support personnel, and to fund graduate or undergraduate student research fellowships, research infrastructure, and mission support as described below.~~

~~6.1.a. Chairs. New faculty positions, salary supplements to existing faculty positions, and associated expenses for those positions, including start up costs, salaries, benefits, travel, and other professional expenses as permitted by university policy.~~

~~6.1.b. Professorships. New faculty positions, salary supplements to existing faculty positions, and associated expenses for those positions, including start up costs, salaries, benefits, travel, and other professional expenses as permitted by university policy.~~

~~6.1.c. Research Scholars. Salaries, benefits, and other personnel related expenses associated with non tenured or recently tenured faculty who exhibit the potential to assume chair or professorship positions after tenure has been awarded and/or superior scholarly work has been achieved. Research scholars shall have clearly defined research agendas that relate specifically to the fields of study envisioned for the ultimate occupants of the chairs or professorships.~~

~~6.1.d. Research Scientists. Salaries, benefits and other personnel related expenses associated with non tenured scientists who exhibit high scientific achievement in the sanctioned areas of research.~~

~~6.1.e. Research Staff. Salaries, benefits, and other personnel related expenses associated with full time or part time staff assistants who are directly linked to the research activities of an endowed chair, professor, scholar or scientist as defined above.~~

~~6.1.f. Graduate Fellowships. Stipends for outstanding graduate students, which may include travel and other expenses as permitted by university policy.~~

~~6.1.g. Undergraduate Fellowships. Funds may be used to support scholarships for outstanding undergraduate students who are directly linked to activities of an endowed chair or professor. These may include travel and other expenses as permitted by university policy.~~

~~6.1.h. Research Infrastructure. Start up and operating expenses that are directly linked to the research activities of an endowed chair, professor, research scholar or research scientist, including equipment, materials and supplies, and other research related expenses as permitted by university policy.~~

~~6.1.i. Mission Support. Program funds may be used to support research and graduate missions at participating institutions. Consideration shall be given to expenditures for mission support activities such as: (1) expenditures that enhance the research capability of university libraries (i.e., scientific books, journals, research materials, media, and equipment); (2) start up costs, equipment, and supplies that support faculty, graduate student, or undergraduate student research activities; (3) funding for visiting scholars, lecture series, and faculty exchanges; and (4) expenditures for the dissemination of research findings (i.e., nationally prominent publications and presentations at conferences, symposia, seminars, or~~

workshops). However, priority shall be given to mission support expenditures that encourage the research-related activities of faculty and students. Expenditures for general personnel expenses that are not directly linked to an endowed chair, professor, research scholar, or research scientist do not qualify as mission support activities.

6.2. Any combination of these activities may be proposed for inclusion in the institutional research plan required under section 5 and are eligible for designated endowments as funds are secured.

#### **~~§133-48-7. Criteria for Qualified Donations and Pledges.~~**

7.1. Matching Requirements. The trust fund is conceived as a way to bring new money from external sources into the State's system of postsecondary education. In order to receive state funds, participating institutions shall provide dollar for dollar matching funds that satisfy the following requirements:

7.1.a. Donations and pledges shall be newly generated to be eligible for state match. Newly generated contributions are those pledged and received by the participating institution on or after March 8, 2008.

7.1.b. Donations and pledges shall be from external sources to be eligible for state match. External source contributions are those that originate outside the participating institution and its affiliated foundation or research corporation. Eligible sources of external funding include, but are not limited to, businesses, non-governmental foundations, corporations and alumni or other individuals. Funds received from federal, state and local government sources are not eligible for state match.

7.1.c. State appropriations and allocations (e.g., West Virginia Research Challenge Fund) and student derived revenues (e.g., tuition and fees revenue) are not eligible for state match.

7.1.d. An undirected qualified donation may be directed by the institution toward an endowment under this rule; however, current institutional foundation funds are not eligible for state match.

7.1.e. The minimum institutional request is \$50,000. A participating institution may combine smaller donations to meet the \$50,000 minimum.

7.1.f. All funds, both state and private, shall be permanently endowed. "Endowed" means that only the investment earnings, and not the principal, are eligible for expenditure.

7.1.g. Requests for state matching funds shall identify the donor funds received in cash and those that are pledges.

7.1.h. Pledges, or promises of future payment, are eligible for state match provided they are based on a written contract or agreement and include a payment schedule that does not exceed the reallocation date of July 1, 2015. Pledge payment schedules showing receipts to date and scheduled future payments shall be included in the audited financial statements of the institution, research corporation and/or the foundation and included in the annual report specified in section 14 of this rule.

7.1.i. Participating institutions shall notify the Vice Chancellor in writing immediately when a gift has been revoked, when a pledge payment is more than 12 months past due, or if there are unpaid pledges remaining six months before the reallocation date of July 1, 2015.

7.1.j. If pledged funds are not received by the due date, the participating institution shall replace the portion of private funds not received with another eligible cash gift. If pledged funds are not received

by the reallocation date, the unmatched portion of the state funds, plus an allowance for accrued interest, shall revert to the trust fund for reallocation. In such cases, the time frame for the replacement or return of state funds shall be determined by the Vice Chancellor in negotiation with institutional representatives, but may not be longer than six months.

**~~§133-48-8. Distribution from the Trust Fund; Documentation Required.~~**

~~8.1. A participating institution seeking a distribution of state matching funds from the trust fund first shall obtain qualified donations and/or qualified pledges meeting the conditions in section 7 in an amount equal to the amount of matching moneys requested for distribution and shall submit a request to the Commission setting forth the following:~~

~~8.1.a. The amount of qualified donations and/or qualified pledges used to request matching moneys from the trust fund and the total amount of any previous distributions of matching moneys from the trust fund;~~

~~8.1.b. The amount requested for distribution to the participating institution;~~

~~8.1.c. A designation of the applicable research endowment(s) into which the requested matching moneys are to be deposited, e.g., "The Joe and Sally Smith Endowed Chair in Chemistry;" and~~

~~8.1.d. An explanation of how the proposed use of the endowment proceeds furthers the purposes of the trust fund and addresses the research needs of the participating institution as identified in the research plan, including any additional strategic objectives or outcomes that have been established for the specific endowed research activity.~~

~~8.2. In conjunction with the written request, the institution shall submit documentation for the external qualified gifts and/or pledges including:~~

~~8.2.a. A cover letter that transmits the documentation, any particulars, and information required by this Section;~~

~~8.2.b. A pledge letter specifying the designation, amount and payment schedule signed by the donor for qualified pledges;~~

~~8.2.c. A deposit ticket or gift receipt and any designation identified by the donor for qualified donations;~~

~~8.2.d. A designation made in writing by the institution and submitted with the request if a qualified gift is undesignated by the donor;~~

~~8.2.e. An invoice for the amount requested from the trust fund, specifying the endowment into which the state match is to be deposited;~~

~~8.2.f. Designation of a technical manager or responsible institutional contact such as a dean, academic officer, or research director, who shall oversee the implementation or supervision of the activity, program or individual sponsored by the endowed funds. Complete contact information shall be provided; and~~

~~8.2.g. Designation of a financial manager or compliance officer who shall be responsible for all associated financial statements or reports relating to the endowed funds or expenditures of proceeds. Complete contact information shall be provided.~~

~~8.3. The participating institution shall cause the state matching funds to be transferred to its affiliated foundation.~~

~~8.3.a. State matching funds are to be invested in the same manner as institutional endowment funds relative to availability under section 11.1 of this rule.~~

#### **~~§133-48-9. Commission Review.~~**

~~9.1. The Vice Chancellor shall conduct a review of each request for distribution of matching money from the trust fund for compliance with the provisions of both §18B-18A-1 *et seq.* and this rule and may request additional information if necessary.~~

~~9.2. The Vice Chancellor shall use the institution's approved research plan to determine if requests for distributions from the trust fund are valid and shall consider any additional information or details that expand upon the specific area of research, including research plans, strategies, objectives and projected outcomes as provided under sections 8.1.d. or 9.1. of this rule.~~

~~9.3. If all criteria are met, the Vice Chancellor shall approve the match.~~

~~9.4. If all the criteria are not met, the Vice Chancellor shall issue a letter to the institution detailing the reason(s) the match could not be approved.~~

~~9.5. When the match is approved, the Vice Chancellor shall submit the invoice to the State Auditor for payment.~~

#### **~~§133-48-10. Appeals.~~**

~~10.1. A participating institution may appeal a decision related to administration of trust funds under the terms of this rule to the Vice Chancellor in writing within ten (10) days of receiving notification. The Vice Chancellor shall issue a written decision upholding or reversing the initial decision within twenty (20) days of receipt of the appeal. Decisions that may be appealed include, but are not limited to, disapproval of a request for distribution of matching money from the trust fund.~~

~~10.2. A participating institution may further appeal to the Chancellor in writing the decision of the Vice Chancellor within ten (10) days of receipt of notification of the decision. The Chancellor shall issue a written decision upholding or reversing the decision of the Vice Chancellor within twenty (20) days of receipt of the appeal.~~

~~10.3. Any appeal made shall set forth in detail the grounds for the appeal. The decision rendered at each level shall address in writing each of the grounds raised.~~

#### **~~§133-48-11. Availability Limits and Reallocation of Trust Funds.~~**

~~11.1. Availability. Participating institutions shall provide documentation for and request transfers of state matching funds up to the limits provided in these rules on or before July 1, 2015. All trust fund dollars provided by the West Virginia Legislature in the original corpus which are being matched by outstanding pledges shall remain available for withdrawal until that date.~~

~~11.2. Reallocation. If one of the participating institutions fails to have deposited into its research endowments the requisite amount of qualified donations and/or fails to have made subsequent requests for matching trust fund distributions by the end of this five-year period, then any funds allocated to the participating institution that have not been distributed shall be reallocated for distribution to the other participating institutions.~~

~~11.2.a. To be eligible to receive a distribution of reallocated moneys, the other participating institutions shall have excess qualified donations deposited in its research endowment(s) in an amount equal to or greater than the amount requested for distribution from available reallocated moneys.~~

~~11.2.b. If the other participating institutions do not have excess qualified donations on deposit, the available moneys in the trust fund shall be reallocated for distribution by the Commission to state colleges in accordance with the provisions for those institutions established in section 12 of this rule.~~

~~11.3. Within 90 days after the reallocation date, the Vice Chancellor shall complete a final assessment of the status of the trust fund and determine if there are funds available for reallocation to the other participating institution and/or the state colleges.~~

#### **~~§133-48-12. Procedures for State Colleges.~~**

~~12.1. Until such time as the trust fund is fully distributed, interest earnings shall be deposited as accrued. The Commission shall use a portion of those moneys derived from investment earnings accruing to the trust fund, as well as moneys that are not matched and distributed to participating institutions prior to July 1, 2015, for distribution to state colleges.~~

~~12.2. As funds are realized, the Vice Chancellor shall issue competitive notices or requests for proposals to the state colleges. A merit review of the scientific potential of the proposed research activity shall be conducted by peer scientists under the general direction of the Vice Chancellor.~~

~~12.3. Solicitations for science, technology, engineering and/or mathematics (STEM) projects at state colleges shall:~~

~~12.3.a. Establish a level of funds currently available for distribution;~~

~~12.3.b. Identify the number of anticipated awards based on the availability of funds, establishing equal amounts available for each institution;~~

~~12.3.c. Identify specific research targets or thematic areas for proposals;~~

~~12.3.d. Provide specific application procedures and deadlines for application;~~

~~12.3.e. Specify matching requirements, including documentation of gift deposits;~~

~~12.3.f. Specify a reasonable deadline for obtaining qualified donations; and~~

~~12.3.g. Provide latitude for lesser amounts of support if only smaller qualified donations are obtained by the institution.~~

~~12.4. To qualify for a distribution of state matching moneys, a state college shall meet the following conditions:~~

~~12.4.a. Obtain qualified donations of private gifts in an amount equal to or greater than the amount of state match funds requested from the proceeds identified as available for distribution from the trust fund.~~

~~12.4.b. Deposit the qualified donations and any state match distributed from the trust fund when an award is provided into the accounts of the institution or its affiliated research corporation or foundation.~~

~~12.4.c. If an institution collects only a portion of the matching funds needed, then the unmatched portion of the award shall revert to the trust fund for reallocation during the next competition.~~

~~12.4.d. Qualified donations and state matching moneys may be expended only for a proposed research oriented initiative developed in response to requests for proposals and approved by the Commission.~~

~~12.5. Eligible research areas include all scientific disciplines or interdisciplinary STEM fields available at state colleges or in collaboration with the participating institutions.~~

~~12.6. All proposals shall be institutional infrastructure building in nature, not individual researcher projects. Each institution shall seek to create “areas of distinction” or “centers of excellence” or strengthen one or two areas of talent and expertise for capacity building in STEM fields that are unique strengths. However, partnerships, consortia and research alliances with other institutions with common or complementary interests are encouraged.~~

~~12.7. State colleges may elect, at their discretion, to place all or some portion of the qualified donation and/or state match into a designated endowment. Otherwise, all funds are available for immediate expenditure for STEM projects proposed as a result of the requests for proposals.~~

~~12.8. The Commission may provide periodic award cycles throughout the life of the trust fund at such times as sufficient interest or other funds are accrued and available for distribution.~~

### **~~§133-48-13. Coordination with Other Research Programs.~~**

~~13.1. The Commission shall coordinate awards from the trust fund with other sponsored research programs managed by its Division of Science and Research. The comprehensive resources and awards made under the West Virginia Research Challenge Fund and Eminent Scholars Recruitment and Enhancement programs shall be monitored for continuity in achieving the objectives of the state’s strategic plan for science and technology.~~

~~13.2. The Commission shall not award state funds to any endowment or state college program that materially duplicates support provided under a complementary state program.~~

~~13.3. The Commission encourages leveraging state funds to obtain qualified private donations and other broader external sources of funding to support the state college’s approved research plan.~~

### **~~§133-48-14. Reporting Requirements.~~**

~~14.1. By August 15, 2009, and annually thereafter, each participating institution shall provide an annual report to the Commission that includes a full accounting of the trust funds, endowment proceeds, and adherence to the objectives established by the research plan.~~

~~14.2. Each participating institution shall detail in its annual report to the Commission the total amount of qualified donations received, the investment earnings realized and any anticipated expenditures of the research endowment proceeds in its annual operating budget.~~

~~14.3. By October 1, 2013, after the five year implementation of the trust fund program is complete, the participating institutions shall provide a comprehensive report to the Commission on the impact of the trust fund on research competitiveness, institutional growth and infrastructure development. Strategic goals realized and those yet to be realized shall be articulated clearly in the report. A full accounting of all trust funds, proceeds, outcomes, and designated endowments shall be included in the comprehensive report.~~

~~14.4. Each participating institution's research corporation and/or foundation shall provide the Commission with an audited financial statement annually. These statements shall be treated as confidential.~~

~~14.5. Awards to state colleges shall contain a reporting requirement on the specific outcomes of the award and establish a timeframe for submission.~~

~~14.6. Institutions expending any proceeds from the trust fund, donations and gifts, or the research endowments contrary to the provisions of this rule, or Commission approval or direction shall be responsible for reimbursing the appropriate institutional or Commission account the amount of funds improperly expended, plus statutory interest.~~

**TITLE 133**  
**PROCEDURAL RULE**  
**HIGHER EDUCATION POLICY COMMISSION**

**SERIES 51**

**BOOKSTORES AND TEXTBOOKS**

**~~§133-51-1. General.~~**

~~1.1. Scope Rule establishing process and guidelines for institutions to adopt rules governing the selection, adoption, use and sale of textbooks and other course materials.~~

~~1.2. Authority W. Va. Code § 18B-1B-4, 18B-10-14.~~

~~1.3. Filing Date April 27, 2010~~

~~1.4. Effective Date May 27, 2010~~

**~~§133-51-2. Purpose.~~**

~~2.1. To require institutions to promulgate rules that fully and adequately address the mandates in W. Va. Code § 18B-10-14 regarding the operation of bookstores and the actions of employees of the institution in the selection and adoption of textbooks and course materials.~~

~~2.2. To require institutions to promulgate rules that will effectuate the mandates regarding textbooks and supplementary course materials set out by Congress in the Higher Education Opportunity Act (HEOA) enacted on August 14, 2008, and any successor to that Act.~~

~~2.3. To require institutions to promulgate rules addressing the recommendations of the Statewide Task Force on Textbook Affordability contained in the final report of that Task Force jointly adopted by the Higher Education Policy Commission (Commission) and the Council for Community and Technical College Education.~~

**~~§133-51-3. West Virginia Code Mandates.~~**

~~3.1. Each institutional governing board under the jurisdiction of the Commission shall promulgate rules that fully and adequately address the statutory mandates of W. Va. Code § 18B-10-14. Specifically, these rules shall, at a minimum:~~

~~3.1.1. Provide specific mechanisms to ensure that bookstores operated at institutions under the governing board's jurisdiction minimize the costs to~~

~~students for textbooks and course materials. To that end, the governing board rule shall:~~

~~3.1.1.1. Commit, to the maximum percent practicable, the number of used books the bookstore will repurchase from students at the end of each semester.~~

~~3.1.1.2. Commit, to the maximum percent practicable, a range of percentage repurchase prices based on the new textbook price.~~

~~3.1.1.3. Commit, to the maximum percent practicable, to a selection procedure that will ensure certain basic textbooks will be utilized for a reasonable number of consecutive years without new editions being adopted, or selection of basic textbooks where earlier editions are easily and appropriately utilized in the courses.~~

~~3.1.2. Prohibit any employee of the governing board from receiving any payment, loan, subscription, advance, deposit or money, service benefit or thing of value, present or promised, as an inducement for requiring students to purchase a specific textbook or supplemental course materials, provided, however, that an employee may receive royalties or other compensation from such sales that include the employee's own writing or work. An employee may also receive free sample copies, instructor's copies and instructional material but may not resell those items and retain the proceeds.~~

~~3.1.3. Prohibit any employee of the governing board from requiring for any course a textbook that includes his or her own writing or workbook if the textbook incorporates either detachable worksheets or workbook style pages intended to be written in or removed from the textbook. This does not prohibit an employee from requiring as a supplement to a textbook any workbook or similar material which is published independently from the textbook.~~

~~3.1.4. Provide firm deadlines, to the maximum extent practicable, for faculty to be assigned to courses and textbooks and course materials to be selected prior to each semester.~~

~~3.1.4.1. For those deadlines not met there shall be a mechanism in place reasonably calculated to ensure that used textbooks, if available, can be located and purchased by the time of enrollment each semester, to the maximum extent practicable.~~

~~3.1.4.2. This mechanism should include, but is not limited to, such measures as default selection of certain textbooks, continuing to use the previous textbook, or having a chair or dean select the textbook. Any such textbook default selection must be strictly enforced and faculty not allowed to change the selection.~~

~~3.1.5. Provide that a listing of all selected textbooks and materials selected and assigned prior to each semester shall be prominently posted immediately after such selection process is completed and the textbook and course materials are designated for order by the bookstore.~~

~~3.1.5.1. In a central location on campus communicated to the student body;~~

~~3.1.5.2. In every campus bookstore operated at the institution;~~

~~3.1.5.3. On the institution's website; and~~

~~3.1.5.4. With the International Standard Book Number (ISBN), edition number and any other relevant information regarding each textbook or supplemental course materials.~~

~~3.1.6. Provide that by November 1 of each year, the institution shall report to the Chancellor of the Commission, for the prior fiscal year, the deadlines established for faculty to be assigned to courses; the deadlines for textbooks and course materials to be selected; the percentages of those deadlines met; and the dates the listing of assigned textbooks and course materials were posted pursuant to the requirements of Section 3.1.5 of this rule.~~

~~3.1.7. Provide that all revenue the institution receives from a private entity for bookstore operation be utilized for non-athletic scholarships at the institution.~~

#### ~~§133-51-4. Federal Mandates.~~

~~4.1. Each institutional governing board under the jurisdiction of the Commission shall promulgate rules that fully and adequately address the federal mandates regarding textbooks contained in the Higher Education Opportunity Act of 2008 (Public Law 110-315). Specifically, these rules shall, at a minimum:~~

~~4.1.1. Provide that textbook publishers soliciting any employee of the governing board to select textbooks or supplemental course material provide that employee, in writing:~~

~~4.1.1.1. The price of the textbook and supplemental course materials;~~

~~4.1.1.2. The copyright dates of the three previous editions, if any;~~

~~4.1.1.3. A description of substantial content revisions from the previous editions;~~

~~4.1.1.4. Whether the textbook is available in other lower; cost formats and, if so, the price to the institution and the general public;~~

~~4.1.1.5. The price of textbooks unbundled from supplemental material; and~~

~~4.1.1.6. The same information, to the extent practicable, for custom textbooks.~~

~~4.2.1. Provide that no employee of the governing board shall select or assign a textbook or supplemental course materials if the publisher has not supplied the information, in writing, required by Section 4.1.1 of this rule.~~

~~4.3.1. Provide that the institution shall provide on its electronic course schedule, or through a link to its bookstore's website, prior to course enrollment each semester for all required or recommended textbooks and supplemental material:~~

~~4.3.1.1. The ISBN number and retail price, or if the ISBN number is not available then the author, title, publisher and copyright date.~~

~~4.3.1.2. If such disclosure is not practicable, then the designation "To Be Determined."~~

~~4.3.1.3. A reference shall be made on any written course schedule to the information available on the electronic course schedule accessible through the institutional website and the internet address for the electronic course schedule.~~

~~4.4.1. Provide that the institution will include on its website or through a link to its bookstore's website and electronic course schedule any of its policies or provisions for:~~

~~4.4.1.1. Rental of textbooks;~~

~~4.4.1.2. The purchase of used textbooks;~~

~~4.4.1.3. Textbook repurchase or buy backs; and~~

~~4.4.1.4. Alternative content delivery programs.~~

~~4.5.1. Provide that the institution will update its policies to comply with any future federal mandates.~~

**~~§133-51-5. Textbook Affordability Committee.~~**

- ~~— 5.1. Each institution shall establish a permanent Textbook Affordability Committee consisting of faculty, students, administrators and bookstore representatives which shall meet periodically, but at least annually, to advise the faculty senate, student government, administration, and institutional board of governors on affordability issues and initiatives, textbook selection guidelines and strategies, and educational opportunities.~~
- ~~— 5.2. The governing board shall annually meet with the Textbook Affordability Committee to receive any recommendations or reports it may have generated and copies of any such recommendations and reports shall be transmitted to the Chancellor of the Commission.~~

**~~§133-51-6. Required Provisions.~~**

- ~~— 6.1. In adopting the policies required by this rule each governing board shall:~~
  - ~~— 6.1.1. Adopt guidelines for faculty in the selection of textbooks and supplementary course materials that ensure appropriate, high quality course materials are selected but give students timely access to the most affordable materials. Institutions are encouraged to consider:~~
    - ~~6.1.1.1. Requiring faculty to consider more than one textbook publisher and compare prices for textbooks and course materials;~~
    - ~~— 6.1.1.2. Requiring that all new textbook selections submitted to the appropriate dean or chair for approval be accompanied by a simple form for the faculty member to state whether or not the written information required from the publisher pursuant to Section 4.1.1 of this rule, if requested, was provided;~~
    - ~~6.1.1.3. Discouraging selection of textbooks in which less than 50 percent of the content will be used in the course unless the same textbook will be utilized by the student in other courses;~~
    - ~~— 6.1.1.4. Encouraging selection of textbooks that have low cost alternative editions available;~~
    - ~~— 6.1.1.5. Encouraging selection of textbooks it is believed will not be revised by the publisher in the near future;~~
    - ~~— 6.1.1.6. Utilizing consortiums which make available open source textbooks or course materials to faculty and students free or at low cost;~~
    - ~~6.1.1.7. Directing an examination of the feasibility of operating a textbook rental program;~~

~~6.1.1.8. Providing that the institution shall conduct training for all faculty, at the time of hire and periodically thereafter, on textbook selection and strategies that guarantee high quality course materials at the most affordable cost;~~

~~6.1.1.9. Providing that at least one administrator at the institution shall be designated as a liaison with textbook publishers, to be responsible for dissemination of relevant information to the faculty on textbook strategies and education and training opportunities regarding textbook selection, and to enforce the policies the governing board adopts.~~

~~6.1.1.10. Providing that the institution, to the maximum extent practicable, consider placing a copy of required textbooks on reserve in the institutional or departmental library;~~

~~6.1.1.11. Addressing the issue of providing financial aid to students prior to the start of classes that will allow them to purchase course materials;~~

~~6.1.1.12. Addressing the institution's commitment to utilizing various 21st Century technology innovations for the provision of textbooks and course materials, such as electronic textbooks, on-line textbooks, print on demand services, open source materials, and institution produced textbooks; and~~

~~6.1.1.13. Periodically updating their rules to address emerging technologies or new strategies which address textbook affordability.~~

**~~§133-51-7. Deadline.~~**

~~7.1. The rules required by this rule shall be adopted by each governing board within 180 days of the effective date of this rule.~~

**West Virginia Higher Education Policy Commission  
Meeting of June 27, 2025**

**ITEM:** Approval of Presidential Compensation

**INSTITUTION:** Concord University

**RECOMMENDED RESOLUTION:** *Resolved*, That the West Virginia Higher Education Policy Commission approves the compensation contract for Dr. Bethany Meighen as President of Concord University as proposed by the institutional board of governors.

**STAFF MEMBER:** Joseph Jenkins

**BACKGROUND:**

Pursuant to W. Va. Code § 18B-1B-4(a)(15), the Commission must approve the total compensation package from all sources for presidents of institutions under its jurisdiction proposed by institutional governing boards.

At its meeting on April 15, 2025, the Concord University Board of Governors (Board) approved the appointment of Dr. Bethany Meighen as president for an initial contract term of two years. Subsequently, the Board approved the total compensation package for Dr. Meighen as set forth in your materials.

This proposed contract comports with the provisions of Series 5 of the Commission's rules, *Guidelines for Governing Boards in Employing and Evaluating Presidents*; therefore, it is recommended that the Commission approve the proposed compensation package as submitted.

**West Virginia Higher Education Policy Commission  
Meeting of June 27, 2025**

**ITEM:** Approval of Presidential Compensation

**INSTITUTION:** Glenville State University

**RECOMMENDED RESOLUTION:** *Resolved*, That the West Virginia Higher Education Policy Commission approves the compensation contract for Dr. Mark Manchin as President of Glenville State University as proposed by the institutional board of governors.

**STAFF MEMBER:** Joseph Jenkins

**BACKGROUND:**

Pursuant to W. Va. Code § 18B-1B-4(a)(15), the Commission must approve the total compensation package from all sources for presidents of institutions under its jurisdiction proposed by institutional governing boards.

At its meeting on May 7, 2025, the Glenville State University Board of Governors (Board) approved the three-year contract extension and change in compensation for President Mark Manchin as set forth in your materials. The Board elected to increase the base compensation for the President from \$220,000.00 to \$250,000.00, an increase of approximately 14%. This increase is greater than the average percentage increase provided to staff and faculty and is justified by the Board as follows:

- Recent, generally favorable presidential evaluation.
- Desire to place the salary of Glenville's president in line with other universities in the State.
- List of significant accomplishments of the President from 2022-2025, provided in the materials.

Note that the \$30,000.00 for each of the three contract years is funded by the Glenville State University Foundation.

This proposed contract comports with the provisions of Series 5 of the Commission's rules, *Guidelines for Governing Boards in Employing and Evaluating Presidents*; therefore, it is recommended that the Commission approve the proposed compensation package as submitted.

**West Virginia Higher Education Policy Commission  
Meeting of June 27, 2025**

**ITEM:** Approval of Presidential Compensation

**INSTITUTION:** West Liberty University

**RECOMMENDED RESOLUTION:** *Resolved*, That the West Virginia Higher Education Policy Commission approves the compensation contract for Dr. Timothy Borchers as President of West Liberty University as proposed by the institutional board of governors.

**STAFF MEMBER:** Joseph Jenkins

**BACKGROUND:**

Pursuant to W. Va. Code § 18B-1B-4(a)(15), the Commission must approve the total compensation package from all sources for presidents of institutions under its jurisdiction proposed by institutional governing boards.

At its meeting on June 11, 2025, the West Liberty University Board of Governors approved the five-year contract extension and change in compensation for President Timothy Borchers as set forth in your materials. Rather than increase the base salary of the President, the Board approved a \$75,000.00 incentive to be paid at the end of the five-year term. This increase in compensation – equivalent to an additional \$15,000.00 per year, an increase of approximately 6% - is greater than the average percentage increase provided to staff and faculty and is justified by the Board as follows:

- Significant positive feedback from the community, both on and off campus, including faculty, staff, and students noting Dr. Borchers' active engagement, consistent communications, and accessibility; and the outside community recognizing his strong presence and efforts to integrate and support the local community.
- Improvement to campus morale and the University's reputation.
- Efforts to assist in the leadership for RISE Up Workforce Initiative in the Northern Panhandle.
- Institution of the Aspire Fund to support faculty and student experiential learning where the first awards were announced in Spring 2025.
- Desire to maintain continuous and stable leadership.

This proposed contract comports with the provisions of Series 5 of the Commission's rules, *Guidelines for Governing Boards in Employing and Evaluating Presidents*; therefore, it is recommended that the Commission approve the proposed compensation package as submitted.
