

WEST VIRGINIA SCHOOL OF OSTEOPATHIC MEDICINE

WVSOM Website RFP #WVSOM-26-570 ADDENDUM 1:

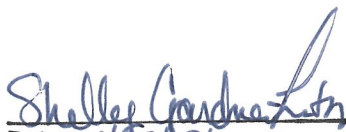

Thank you for your interest in the WVSOM Website RFP #WVSOM-26-570 and for your engagement during the question period.

We received a significant number of vendor questions (over 300) by the submission deadline last Friday. Our team is actively working through these questions to prepare a comprehensive and organized response. At this time, we are unable to confirm when responses to vendor questions will be finalized. WVSOM intends to extend the proposal submission deadline; however, the revised deadline has not yet been determined. Updated timing and any additional changes will be communicated in a forthcoming addendum.

All addenda will be posted on the HEPC procurement website and in OASIS. In addition, we will distribute the addendum via email to all vendors who registered for the pre-bid meeting.

Due to the high volume of interest in this RFP, we may not be able to respond to individual inquiries regarding the status of this RFP. We respectfully ask that vendors refrain from submitting additional emails and instead monitor the HEPC procurement website and OASIS for official updates.

We appreciate your patience as we work to ensure all questions are addressed thoroughly and fairly.

Date: 4/07/26
