SECTION 4 SCOPE OF SERVICES

4.1. Project Description

The College is upgrading its wireless network to Wi-Fi 7 technology to improve capacity, reduce network congestion, and support the growing connectivity needs of faculty, staff, and students across instructional and administrative spaces. Wi-Fi 7 introduces support for the 6 GHz frequency band and additional spectrum, enabling higher bandwidth availability and more reliable performance in high-density environments, while creating dedicated capacity for emerging technologies such as AR/VR, IoT, and other next-generation applications.

A wireless site survey is required as part of this project to validate access point placement, identify high-density and standard-density zones, confirm cabling requirements, and finalize deployment quantities based on current building conditions and usage patterns. CAT6a cabling and redundant access point and switch connections will be implemented to improve network reliability and support the College's long-term connectivity needs.

This project will be implemented in two phases to align with available funding. Phase 1 shall be fully completed no later than **July 31, 2027.** Phase 2, covering the remaining project scope, is contingent upon future funding availability and authorization by the College.

The successful vendor shall coordinate all installation activities with the College to minimize disruptions to instructional and administrative operations**.** As work may occur while classes are in session, the vendor may be required to perform certain activities outside of normal business hours, including evenings, weekends, or other designated periods, to avoid interruptions to scheduled classes and College operations.

Background

The College's current wireless environment includes existing Meraki MR46 (Wi-Fi 6) access points directly connecting to a mix of Meraki MS350-24X, MS355-48X2, and MS250-48FP switches serving two buildings. These two buildings currently contain 53 access points across 9 wiring closets. This project is limited to these two buildings.

Scope

- Replace existing Meraki MR46 access points with Wi-Fi 7 capable access points.
- Replace all existing CAT6 cabling serving access points with new CAT6a cabling.
- Install new dedicated access layer switches in each of the 9 wiring closets to serve access point connectivity, with dual switches per closet to support redundant access point connections.
- Provide dual 10 Gbps uplinks from each new access layer switch to two separate members of the College's existing switch stack for redundancy.
- Existing Meraki stack switches may remain in place as the aggregation layer if the vendor confirms compatibility and suitability for the proposed design. Replacement of the existing stack is not required unless the vendor determines it is necessary to meet the design requirements.
- Conduct a wireless site survey to validate final access point counts, high-density zone designation, and cabling requirements.

Access Point Requirements

- Access points must be Wi-Fi 7 (802.11be) capable and support the 6 GHz band.
- Acceptable models: Cisco Meraki CW9178I, Cisco Meraki CW9176I, or equivalent.

- Vendors may propose a single AP model suitable for all use cases, or separate standard and high-density models, provided the proposal addresses both typical coverage areas and high-density areas as identified by the site survey.

Switch Requirements

- New dedicated access switches shall be Cisco Catalyst C9300-24UX-M or equivalent.
- Switches must provide multi-gigabit (mGig) port capability and Universal Power over Ethernet (UPoE) sufficient to support Wi-Fi 7 access point power requirements.
- New access switches shall uplink to the existing switch stack using 10 Gbps connections. Because new access switches will be located in the same wiring closet as their uplink target, passive SFP+ Direct Attach Copper (DAC) cables may be proposed in lieu of separate fiber optic transceivers and patch cabling where appropriate.
- Each new access switch shall have dual 10 Gbps uplinks to two separate physical switches within the existing stack to provide uplink redundancy.

Cabling and Redundancy Requirements

- All new access point cabling shall be CAT6a.
- In locations identified by the site survey as high-density or otherwise critical, vendors shall provide dual CAT6a drops per access point.
- Where dual drops are installed, each drop shall terminate on a separate physical access switch within the same wiring closet to provide access point connectivity redundancy.
- Vendors shall describe how their proposed cabling and switch design supports redundancy and phased deployment.

Licensing Requirements

- The College currently uses Meraki's per-device licensing (PDL) model.
- The College's existing access point licenses are Meraki MR Enterprise and remain valid through May 31, 2031.
- For all new access points, vendors shall include Meraki MR Enterprise licensing for a minimum 7-year term.
- For all new switches, vendors shall include Meraki Catalyst 9300-M Enterprise licensing for a minimum 7-year term.
- As an optional alternate, vendors may propose Meraki MR Advanced licensing in lieu of MR Enterprise for access points, priced and itemized separately.
- Vendors shall identify whether any credit, trade-in, or license migration path exists that would allow the College to apply value from its current MR46 Enterprise access point licensing (valid through May 31, 2031) toward new Wi-Fi 7 access point licensing and shall reflect any applicable savings in their itemized pricing.
- Vendors may propose alternate licensing approaches that meet or exceed these coverage requirements, provided the term, tier, and included features are clearly stated.

Phase 1 – Site Survey and Design

- Conduct a wireless site survey covering the two buildings, 9-closet scope.
- Validate final access point placement, high-density zone designation, and cabling/redundancy requirements.
- Provide a survey report, final design recommendation, proposed access point and drop counts, switch placement plan, and implementation recommendation for Phase 1.
- Install access points, switches, and cabling in the highest-priority locations identified within the Phase 1 budget.

Phase 2 – Remaining Procurement and Installation

- Complete installation of remaining access points, switches, and cabling identified by the Phase 1 survey but not completed under Phase 1.
- Configure, test, and cut over the remaining wireless environment.
- Provide final as-built documentation for the complete project.

Deliverables:

- Wireless Site Survey Report
- Final wireless network design and implementation plan
- Itemized bill of materials
- Labor and installation plan
- CAT6a cable test/certification results for all new cable runs
- Configuration and cutover plan
- As-built documentation
- Warranty and support details

The Policy shall cover a variety of expenses associated with data breaches, including, but not limited to: notification costs, credit monitoring, costs to defend claims by state regulators, fines and penalties, and loss resulting from identity theft.

The College reserves the rights to modify, delete, alter, or change these requirements.

Excluding the 25 possible points assigned to Price, a Respondent must achieve a minimum technical score of 56.25 out of the 75 points available for Quality and Thoroughness of Proposed Site Survey, Experience and Qualifications, and Proposed Equipment and Implementation Plan to remain eligible for further evaluation. Respondents that fail to achieve the minimum technical score of 56.25 points will be disqualified from further consideration, and their price proposals will not be included in the price evaluation.

The College may select Respondent's proposal based on best value purchasing, which is not necessarily the lowest price submitted by Respondent. Cost is considered but is not the sole determining factor for award; discussions or interviews may be held to promote understanding of the College's requirements and the offerors' proposals, and to facilitate arriving at a contract that will be most advantageous to the College. The College does reserve the right to accept or reject any or all proposals, in whole or in part, if to do so is in the best interests of the College.

Respondent's failure to provide complete and accurate information may be considered grounds for disqualification. The College reserves the right to ask Respondents for additional information to clarify their proposals. Nothing may be added to alter the written solution or method contained in the original proposal after bid opening. Presentations may be requested, at the discretion of the Evaluation Committee

Vendor: _____

Contract Name or Identifier/Lease Number ("Contract"): BV2627-0003

Commodity/Service: Wi-Fi 7 Network Upgrade

The State and the above-identified Vendor are entering into the above-referenced contract. The Contract or other materials incorporated into this Contract may contain provisions that are inconsistent with West Virginia law, regulations, or policy. THIS ADDENDUM SUPERSEDES, MODIFIES AND CONTROLS ANY CONFLICTING PROVISIONS CONTAINED IN THE CONTRACT REGARDLESS OF WHEN SUCH DOCUMENTS ARE SUBMITTED.

1. **PAYMENT** – The State will not make any advanced payments for goods or services unless the payment is (i) authorized by the policy of the West Virginia State Auditor (e.g., software/SaaS licenses, software support services, and the first year of a software subscription), or (ii) expressly authorized in a writing by the West Virginia State Auditor and that approval is made a part of this contract. Payments are made only after the (i) receipt of the goods and/or services and (ii) processing of all required invoice documentation to the State Auditor's satisfaction.

   The following provisions are deleted: (i) interest or penalties for late payment, (ii) payment of lost profits, termination fees, or liquidated damages upon termination, and (iii) acceleration of payments due to termination, default, or non-funding.

2. **FUNDING** –Payments under this Contract are contingent upon the availability of properly encumbered funds through legislative appropriation or other lawful funding sources. If funding becomes unavailable, then the State may terminate this Contract upon notice to the vendor. Non-appropriation or non-funding is not an event of default, and all work shall cease upon termination.

3. **TERMINATION FOR CONVENIENCE** – The State may terminate this Contract for convenience upon thirty (30) days written notice to the Vendor. The State will pay only for undisputed services rendered or goods delivered prior to termination. Any conflicting Vendor provision regarding termination is deleted.

4. **GOVERNING LAW** – The Contract shall be governed by the laws of the State of West Virginia or required federal law. Any provision requiring the application of any other state's laws is deleted.

5. **JURISDICTION/DISPUTES** – All claims for monetary damages must be filed with the West Virginia Legislative Claims Commission. Other legal actions must be brought in courts authorized under West Virginia laws to exercise jurisdiction.

6. **PRESERVATION OF STATE LEGAL RIGHTS -** Notwithstanding any provision contained in this Contract or other materials incorporated into this Contract, any term that limits, waives, or otherwise restricts the legal rights available to the State is deleted. Without limitation, the following provisions are deleted:

   a. Any requirement that the State agrees to (i) participate in binding arbitration or other extra-judicial dispute resolution process, (ii) waive a jury trial, or (iii) resolve disputes in any jurisdiction or venue other than the State of West Virginia.

   b. Any provision requiring the State to (i) indemnify, defend, or hold harmless the Vendor or any third party, or (ii) assume the Vendor's business or legal risks.

   c. Any provision limiting the Vendor's liability for direct damages arising from bodily injury, death, or damage to property (tangible or intangible) caused by the negligence or willful misconduct of the Vendor or its employees or agents. Any limitation of liability is enforceable only to the extent permitted by West Virginia Law.

   d. Any provision requiring the State to waive or limit its legal rights, claims or defenses.

   e. Any provision limiting the time within which the State may file a claim or initiate any legal action.

   f. Any provision permitting repossession of equipment without notice to the state. Repossession may occur only with appropriate notice.

   g. Any provisions requiring the State to pay Vendor's attorney fees, collection costs, or litigation expenses are deleted except in cases where they are ordered by a court of competent jurisdiction.

7. **TAXES** – The State is exempt from federal, state, and local taxes. Any provision requiring the State to pay taxes on behalf of the Vendor is deleted. The State will provide a tax-exempt certificate upon request.

8. **ASSIGNMENT** – No assignment of this contract is effective and binding until the State and Vendor execute a change order to this Contract. This Contract is automatically terminated if the assignment is to a person or entity with whom the State is prohibited from doing business. In that circumstance, Vendor agrees to pay the State a pro-rata refund equal to the cost paid for the unused portion of the commodity or service provided. The State may assign this Contract to another State agency, board or commission upon thirty (30) days written notice to the Vendor.

9. **RENEWAL/MODIFICATION** – This Contract may be renewed, extended, amended, or modified only by written agreement signed by both parties and approved, as to form, by the Attorney General. Any automatic renewal or modification provision is deleted.

10. I**NSURANCE** – Any provision requiring the State to maintain insurance for the benefit of the State, the Vendor or any third party is deleted.

Code §29B-1-1 et seq.) and applicable public procurement laws. Any provision requiring Vendor consent or notice prior to disclosure is deleted.

    All provisions requiring the non-disclosure of information must be (i) permitted by West Virginia law, (ii) incorporated through a separately signed writing, and (iii) approved, as to form, by the Attorney General.

13. **DATA OWNERSHIP**. During and after the term of this Contract, the State retains all ownership rights to information or data that the State provides to the Vendor, or which the Vendor collects or captures while providing its services (hereafter "Data"). The Vendor agrees to only use the Data to provide the procured services. Without limitation, the following provisions are deleted:

    b. Any provision that defines "Data" in a manner that excludes from these protections: (i) transaction or system-based data, including metadata, (ii) Data once it has been de-identified, anonymized, or aggregated, or (iii) vendor analytics performed on the Data.

    Before contract termination, the Vendor agrees to coordinate with the State, to either (1) destroy the Data or (2) return it to the State in the format requested by the State. This shall be done without further conditions, costs, or delays.

14. **THIRD-PARTY SOFTWARE** – If this Contract contemplates or requires binding the State to third-party's end-users license agreement (EULA), the Vendor represents that none of the mandatory click-through, unsigned, or web-linked EULA terms and conditions conflict with any term of this Addendum or that it has the authority to modify such third-party software's terms and conditions to be subordinate to this Addendum The Vendor shall indemnify and defend the State against all claims resulting from a wrongful representation/assertion that the EULA's terms and conditions are in accord with, or subordinate to, this Addendum.

15. **AMENDMENTS** –All amendments, modifications, alterations or changes to this Contract shall be made by a (i) written change order, (ii) signed by all parties, and (iii) approved, as to form, by the Attorney General.

If legal circumstances require this Addendum to be amended, then those changes must be made in an OBVIOUS MANNER such as by using **bold** *Italics, or* underline to identify language being added and using bold ~~**strikethrough**~~ to identify language being deleted. Do not use track-changes. All changes to this WV-96 must be expressly approved by the Office of the Attorney General.

Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

For purposes of complying with these requirements, the following definitions apply:

(This subdivision does not apply to persons or business entities performing legal services related to the negotiation or drafting of the applicable contract.)

"State agency" means a board, commission, office, department or other agency in the executive, judicial or legislative branch of state government, including publicly funded institutions of higher education: Provided, that for purposes of W. Va. Code § 6D-1-2, the West Virginia Investment Management Board shall not be deemed a state agency nor subject to the requirements of that provision.

Note: Check the "LLC" box above and, in the entry space, enter the appropriate code (C, S, or P) for the tax classification of the LLC, unless it is a disregarded entity. A disregarded entity should instead check the appropriate box for the tax classification of its owner.

☐ Other (see instructions)

3b If on line 3a you checked "Partnership" or "Trust/estate," or checked "LLC" and entered "P" as its tax classification, and you are providing this form to a partnership, trust, or estate in which you have an ownership interest, check this box if you have any foreign partners, owners, or beneficiaries. See instructions . . . . . ☐

4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):

Exempt payee code (if any)

Requester's name and address (optional)

6 City, state, and ZIP code

7 List account number(s) here (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and

For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/FormW9*.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

must obtain your correct taxpayer identification number (TIN), which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

• Form 1099-INT (interest earned or paid).

• Form 1099-DIV (dividends, including those from stocks or mutual funds).

• Form 1099-MISC (various types of income, prizes, awards, or gross proceeds).

• Form 1099-NEC (nonemployee compensation).

• Form 1099-B (stock or mutual fund sales and certain other transactions by brokers).

• Form 1099-S (proceeds from real estate transactions).

• Form 1099-K (merchant card and third-party network transactions).

• Form 1098 (home mortgage interest), 1098-E (student loan interest), and 1098-T (tuition).

• Form 1099-C (canceled debt).

• Form 1099-A (acquisition or abandonment of secured property).

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

Caution: If you don't return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See *What is backup withholding*, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued);

2. Certify that you are not subject to backup withholding; or

3. Claim exemption from backup withholding if you are a U.S. exempt payee; and

4. Certify to your non-foreign status for purposes of withholding under chapter 3 or 4 of the Code (if applicable); and

5. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting is correct. See *What Is FATCA Reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

• An individual who is a U.S. citizen or U.S. resident alien;

• A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;

• An estate (other than a foreign estate); or

• A domestic trust (as defined in Regulations section 301.7701-7).

Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding. Payments made to foreign persons, including certain distributions, allocations of income, or transfers of sales proceeds, may be subject to withholding under chapter 3 or chapter 4 of the Code (sections 1441–1474). Under those rules, if a Form W-9 or other certification of non-foreign status has not been received, a withholding agent, transferee, or partnership (payor) generally applies presumption rules that may require the payor to withhold applicable tax from the recipient, owner, transferor, or partner (payee). See Pub. 515, Withholding of Tax on Nonresident Aliens and Foreign Entities.

The following persons must provide Form W-9 to the payor for purposes of establishing its non-foreign status.

• In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the disregarded entity.

• In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the grantor trust.

• In the case of a U.S. trust (other than a grantor trust), the U.S. trust and not the beneficiaries of the trust.

See Pub. 515 for more information on providing a Form W-9 or a certification of non-foreign status to avoid withholding.

Exhibit G

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person (under Regulations section 1.1441-1(b)(2)(iv) or other applicable section for chapter 3 or 4 purposes), do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515). If you are a qualified foreign pension fund under Regulations section 1.897(l)-1(d), or a partnership that is wholly owned by qualified foreign pension funds, that is treated as a non-foreign person for purposes of section 1445 withholding, do not use Form W-9. Instead, use Form W-8EXP (or other certification of non-foreign status).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a saving clause. Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.

2. The treaty article addressing the income.

3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.

4. The type and amount of income that qualifies for the exemption from tax.

5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if their stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first Protocol) and is relying on this exception to claim an exemption from tax on their scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include, but are not limited to, interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third-party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester;

2. You do not certify your TIN when required (see the instructions for Part II for details);

3. The IRS tells the requester that you furnished an incorrect TIN;

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only); or

5. You do not certify to the requester that you are not subject to backup withholding, as described in item 4 under "*By signing the filled-out form*" above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

See also *Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding*, earlier.

What Is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all U.S. account holders that are specified U.S. persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you are no longer tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account, for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of $50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a $500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

• **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note for ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040 you filed with your application.

• **Sole proprietor.** Enter your individual name as shown on your Form 1040 on line 1. Enter your business, trade, or "doing business as" (DBA) name on line 2.

• **Partnership, C corporation, S corporation, or LLC, other than a disregarded entity.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

• **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. Enter any business, trade, or DBA name on line 2.

• **Disregarded entity.** In general, a business entity that has a single owner, including an LLC, and is not a corporation, is disregarded as an entity separate from its owner (a disregarded entity). See Regulations section 301.7701-2(c)(2). A disregarded entity should check the appropriate box for the tax classification of its owner. Enter the owner's name on line 1. The name of the owner entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2. If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, enter it on line 2.

Line 3a

Check the appropriate box on line 3a for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3a.

IF the entity/individual on line 1 is a(n) . . .	THEN check the box for . . .
• Corporation	Corporation.
• Individual or • Sole proprietorship	Individual/sole proprietor.
• LLC classified as a partnership for U.S. federal tax purposes or • LLC that has filed Form 8832 or 2553 electing to be taxed as a corporation	Limited liability company and enter the appropriate tax classification: P = Partnership, C = C corporation, or S = S corporation.
• Partnership	Partnership.
• Trust/estate	Trust/estate.

Line 3b

Check this box if you are a partnership (including an LLC classified as a partnership for U.S. federal tax purposes), trust, or estate that has any foreign partners, owners, or beneficiaries, and you are providing this form to a partnership, trust, or estate, in which you have an ownership interest. You must check the box on line 3b if you receive a Form W-8 (or documentary evidence) from any partner, owner, or beneficiary establishing foreign status or if you receive a Form W-9 from any partner, owner, or beneficiary that has checked the box on line 3b.

Note: A partnership that provides a Form W-9 and checks box 3b may be required to complete Schedules K-2 and K-3 (Form 1065). For more information, see the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

If you are required to complete line 3b but fail to do so, you may not receive the information necessary to file a correct information return with the IRS or furnish a correct payee statement to your partners or beneficiaries. See, for example, sections 6698, 6722, and 6724 for penalties that may apply.

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) entered on the line for a FATCA exemption code.

L—A trust exempt from tax under section 664 or described in section 4947(a)(1).

M—A tax-exempt trust under a section 403(b) plan or section 457(g) plan.

Note: You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, enter "NEW" at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have, and are not eligible to get, an SSN, your TIN is your IRS ITIN. Enter it in the entry space for the Social security number. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at *www.SSA.gov*. You may also get this form by calling 800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at *www.irs.gov/EIN*. Go to *www.irs.gov/Forms* to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to *www.irs.gov/OrderForms* to place an order and have Form W-7 and/or Form SS-4 mailed to you within 15 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and enter "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, you will generally have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon. See also *Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding*, earlier, for when you may instead be subject to withholding under chapter 3 or 4 of the Code.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third-party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information, such as your name, SSN, or other identifying information, without your permission to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax return preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity, or a questionable credit report, contact the IRS Identity Theft Hotline at 800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 877-777-4778 or TTY/TDD 800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to *phishing@irs.gov*. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 800-366-4484. You can forward suspicious emails to the Federal Trade Commission at *spam@uce.gov* or report them at *www.ftc.gov/complaint*. You can contact the FTC at *www.ftc.gov/idtheft* or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see *www.IdentityTheft.gov* and Pub. 5027.

Go to *www.irs.gov/IdentityTheft* to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and territories for use in administering their laws. The information may also be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payors must generally withhold a percentage of taxable interest, dividends, and certain other payments to a payee who does not give a TIN to the payor. GUIDELINES FOR VENDORS FOR BID SUBMISSIONS VIA EMAIL

NOTE: This document is specific to the competitive solicitation processes, where bid submissions must arrive at the closing location on time.

1. Purpose of These Guidelines

The Institution may post opportunities that allow vendors to submit their bids / proposals / responses (known as submissions) electronically via email. This document is intended to assist vendors in understanding:

- the risks associated with submitting an emailed submission; and
- the pitfalls that should be avoided if emailing a submission.

NOTE: Vendors who deliver submissions via email do so at their own risk; the Institution does not take any responsibility for any emailed submission that:

- does not arrive on time;
- is rejected; or
- contains corrupted electronic files.

2. Risks

Although emails are sent every day without incident, there are a number of risks that could occur and delay the receipt of an email. An email submission is deemed to have been received once it arrives in the Institution's Electronic Mail System. Emailed submissions that arrive late will not be considered, regardless of the reason, and vendors will not have the option to resubmit after the closing date and time.

Following are some of the reasons that may delay an email, or cause an email to be rejected by the Institution's email system:

i. Delays can occur as an email moves from server to server between the sender and the recipient, meaning that the time when an email is received can be later – and sometimes considerably later – than the time when it was sent. The Institution will consider the time that an email was received by the Institution's email system as the official time for any emailed submission.

ii. The Institution's email system has technical and security limitations on the size and type of files that will be accepted. Emails containing attachments that exceed 30 MB cannot be accepted.

iii. The Institution's email system has protocols whereby an email may be investigated as potential spam or containing a virus / malware. Such protocols may result in an email being sent to the recipient's inbox late.

iv. The Institution's email system has protocols whereby an email may be

investigated as having Personally Identifiable Information (PII). An email determined by the system to contain PII or data of a similar appearance of PII will not be delivered.

v. The Institution's email system is designed to reject any email that is considered spam or that contains a virus or malware. On occasion, an email may be falsely flagged and rejected. Copies of rejected emails are not kept in the email system, and therefore no possibility exists to retrieve an emailed submission that has been rejected.

vi. In addition, it is possible that one or more attachments to an email to become corrupted and therefore inaccessible to the Institution's email system. Vendor will not have the option to resubmit after closing if the attachments cannot be opened. Further, the Institution cannot open any submission prior to closing to confirm whether or not the files have been corrupted.

3. Vendor Guidance for Emailed Submissions

1. Never assume that a solicitation allows for emailed submissions. Emails should only be used as a delivery mechanism when the opportunity expressly allows for it.

2. Never assume which email address is being used for submissions, when emailed submissions are permitted. Carefully read the instructions and ask questions well in advance of closing if the email address for submissions is not clear. Submissions that are emailed to any address other than the one expressly stated for the purpose may be rejected as missing a mandatory requirement of the solicitation.

3. Avoid using generic subject lines in the emailed submissions that do not clearly identify the solicitation name and / or number as well as the vendor organization name. The subject line of the email should be: BID FOR xxxxxxxxx DUE WEDNESDAY xxxxxxxxxx AT 3:00PM. A sample email subject line for an open bid might be: BID FOR 21001 DUE WEDNESDAY, APRIL 7, 2021 AT 3:00PM.

4. Avoid multiple emails from the same vendor for the same opportunity wherever possible. If multiple emails cannot be avoided (e.g., the collective size of the emails exceeds the maximum size allowed), identify how many emails constitute the full submission and provide clear instructions on how to assemble the submission. Multiple submissions from the same vendor for the same opportunity may result in rejection if these instructions are unclear.

5. Vendors may update, change, or withdraw their submission at any time prior to the closing date and time. If emailing updates or changes, do not submit only the changes that then require collation with the previous submission. Instead, a complete revised package with clear instructions that it replaces the earlier submission should be sent. This will help to avoid any confusion as to what constitutes the complete submission.

6. Avoid emailing submissions in the last 60 minutes that the solicitation is open. Sufficient time should be left prior to closing to ensure that the email was received, and to resubmit before closing if a problem occurs.

7. Do not assume that the email has been received. If a confirmation email is not received shortly after sending the email, contact the named Contact on the solicitation to confirm whether or not their submission was received. In addition, send the emailed submission with a delivery receipt request. If unsure how to send an email with a delivery receipt request, contact the vendor's own system support personnel or search online for instructions specific to the vendor's email system (e.g., Outlook, Gmail, etc.)

8. If the confirmation email is not received, do not resubmit without first contacting the named Contact. Resending a submission should only occur once confirmation is received that the original email was not received, and enough time is left for receipt of the submission prior to the closing date and time.

9. Do not ignore any message from the Institution regarding rejection of an emailed submission. If such a message is received prior to closing, contact the named Contact on the opportunity immediately.

10. If time permits prior to closing, possible remedies for a rejected or missing emailed submission include:
    i. If the collective size of the emailed attachments exceeds 30 MB, resubmit it over multiple emails, clearly identify how many emails constitute the full submission and how to collate the files.
    ii. If the emailed submission included zipped or executable files, unzip or remove the executable the files and resubmit over one or more emails (see previous bullet if the files collectively exceed 30 MB).
    iii. Resend the submission from a different email account.
    iv. If permitted in the opportunity, use an alternative method to deliver the submission (e.g., mailed or hand delivered).

Note: None of these remedies are applicable after the closing date and time.
